foreword

Chaffey! This is more than a name; it is a spirit evolved during a quarter century of striving for worthy ideals. Chaffey has its place in educational annals not through buildings nor equipment, but rather by the achievement of its young men and women inspired by a great challenge, "Know Thy Opportunity." Chaffey holds its place because it stands for equal opportunity to all youth; for encouragement to those who aspire toward high endeavor; for holding fast to the integrities of life; for achievement, loyalty and honor.

Let the twenty-fifth class go forth to create a world for happier human souls with service as ambition's goal.

DR. MERTON E. HILL.

● SILVER JUBILEE

● Just twenty-five years ago Ontario High School with an enrollment of less than three hundred felt the necessity of more room.

In order to make possible a bigger and better institute of learning, the citizens of Ontario and Upland decided to unite as a Union High school district. Under the new name of Chaffey Union High School a building program that presumably would care for the needs of the district for generations to come was put underway. But these years between 1911-12-1935-36 were silver years of progress and now with an enrollment of over 1600 Chaffey is again experiencing extensive building activities. May this silver anniversary but mark the beginning of a greater Chaffey.

Dear Imogen

A MESSAGE TO THE CLASS OF '36

You are graduating from Chaffey Union High School during a period in history that challenges the highest ability of every true American. Your country needs your loyal service.

Many of you will go on to further study. At your college or university it will be worth your while to give much thought toward your privileges and responsibilities as an American citizen.

Others will go directly into employment. You too have a high responsibility as you take part in the business, social and political life of your community.

Chaffey has tried to help you develop the ability to think accurately, and to work in cooperation with others.. May you increasingly value your years together at Chaffey.

Sincerely your friend,

ERNEST W. FISCHER.

Superintendent Gardiner W. Spring.

Dr. A. L. Weber, Miss Laura Hofmann, Mr. Newton Troutman, Mr. Gardiner W. Spring, Mr. John L. McCutcheon; not present, Mr. Harry S. Barbee.

● BOARD OF TRUSTEES

● Chaffey District will ever be indebted to the five men who, serving entirely without pay, have given so largely of their time in building a greater Chaffey. Working with Superintendent Gardiner W. Spring, these men are seeking to develop one of the most complete systems of secondary education in the United States. The system itself takes the form of four organizations, — Fontana Branch High School, Upland Junior High School, Chaffey Union High School and Chaffey Junior College. ● The men who compose this Board have not only been interested in building a campus, but they have been more interested in building a program of education. There is scarcely a branch of the educational program which this Board of Trustees has not either strengthened or is seeking to do so. The recompense given these men is the realization of a work well done.

OFFICE FORCE

• During the school year, the office is the nucleus of the administrative affairs of the high school. Its functions are varied, including student discipline and guidance, registration, attendance, preparing the calendar of the year, issuing and recording of grades, preparation of the daily bulletin, and giving out permits. A new function was added this year with student aid by the National Youth Administration being handled entirely by the Chaffey office, both as to investigating and paying of needy students. • The offices of Principal Fischer and Mrs. Mehl, dean of girls, are adjacent to the spacious business offices. • Upon completion of the Liberal Arts building, the office will be moved to new quarters there, leaving its present location, which it has occupied since 1925, when the administrative departments of the high school were centralized.

MRS. SUSAN B. MEHL

Standing: Mr. E. W. Fischer, Mrs. Mehl, Miss Bissel, Mrs. Guthrie. **Seated:** Jean West, Miss Wilkins, Maxine Elsea, Miss Christman, Venetia Maggiora.

MRS. CLAPP

LIBRARY

● Marking the quarter of a century that has passed since a library was established on the campus, the eighty-five thousand dollar George W. Chaffey Memorial Library was completed this year as an enduring tribute to the pioneer whose courage and foresight made possible this community and this institution, and as an aid to future generations of high school students in their education. With approximately thirty thousand volumes, an extensive periodical department, files of government agricultural bulletins and large, modernly equipped study rooms, it ranks as one of the finest school libraries in the United States. ●Originally conceived by Mr. Chaffey, one of the school's founders, today the vision has become a reality. The library stands as a fitting memorial to him, and an educational and cultural center for the younger generations of today and tomorrow.

FACULTY

• Five members of the present Chaffey faculty, Mr. Ernest W. Fischer, Mr. F. M. Watenpaugh, Mrs. Lana Conger, Miss Charlotte Reed, and Miss Lois Le Baron Avery, have been serving Chaffey Union High School for twenty-five years, from the time it was organized as such in 1911. Mr. Fischer, now principal, was then director of physical education, and has occupied various positions in the school since that time. Mr. Watenpaugh was, and still is, head of the commercial department. The art department, under Miss Reed, has expanded and improved. Miss Avery taught English, coaching speech as a sideline. Now she has a class in public speaking besides her English classes, and is head of the English department. Mrs. Conger, who was in Europe on a leave of absence in 1911, taught Latin, and is now head of the Language department.

GIRLS LEAGUE

• The Girls' League, of which all girls automatically become members on entering here, completed a very successful year. Besides the guides who helped new students to familiarize themselves with the campus, upperclass girls were appointed "little sisters" among the new girls, and helped them get acquainted. • A "big and little sister tea" was given to further friendship among the new girls. A tea for the mothers of each individual class was held so that teachers and parents could know each other better. The mother and daughter banquet was held March 13, with a sports motif. The hostesses for each table decorated it to represent a sport, and the head table was typified by an Olympic emblem. • The League collected food and toys for the needy at Christmas time and divided them among various welfare organizations for distribution. Funds were raised by selling pompoms during the football season; "candy wrapper week", when the League was paid one cent for every candy wrapper it collected; and by selling home-made candy at the plays. • The Chaffey Girls' League cooperates with the other leagues in Southern California. The delegates who attended the fall convention in San Diego, October 15 and 16, were Midge Johns, president; and Barbara Phibbs, program chairman. Exie Jean Stevens, chairman of the faculty relations committee; and Midge Johns represented Chaffey at the spring convention at Huntington beach, April 18. Cabinet officers of the League met the second Monday of each month with a pot luck supper and business meeting combined.

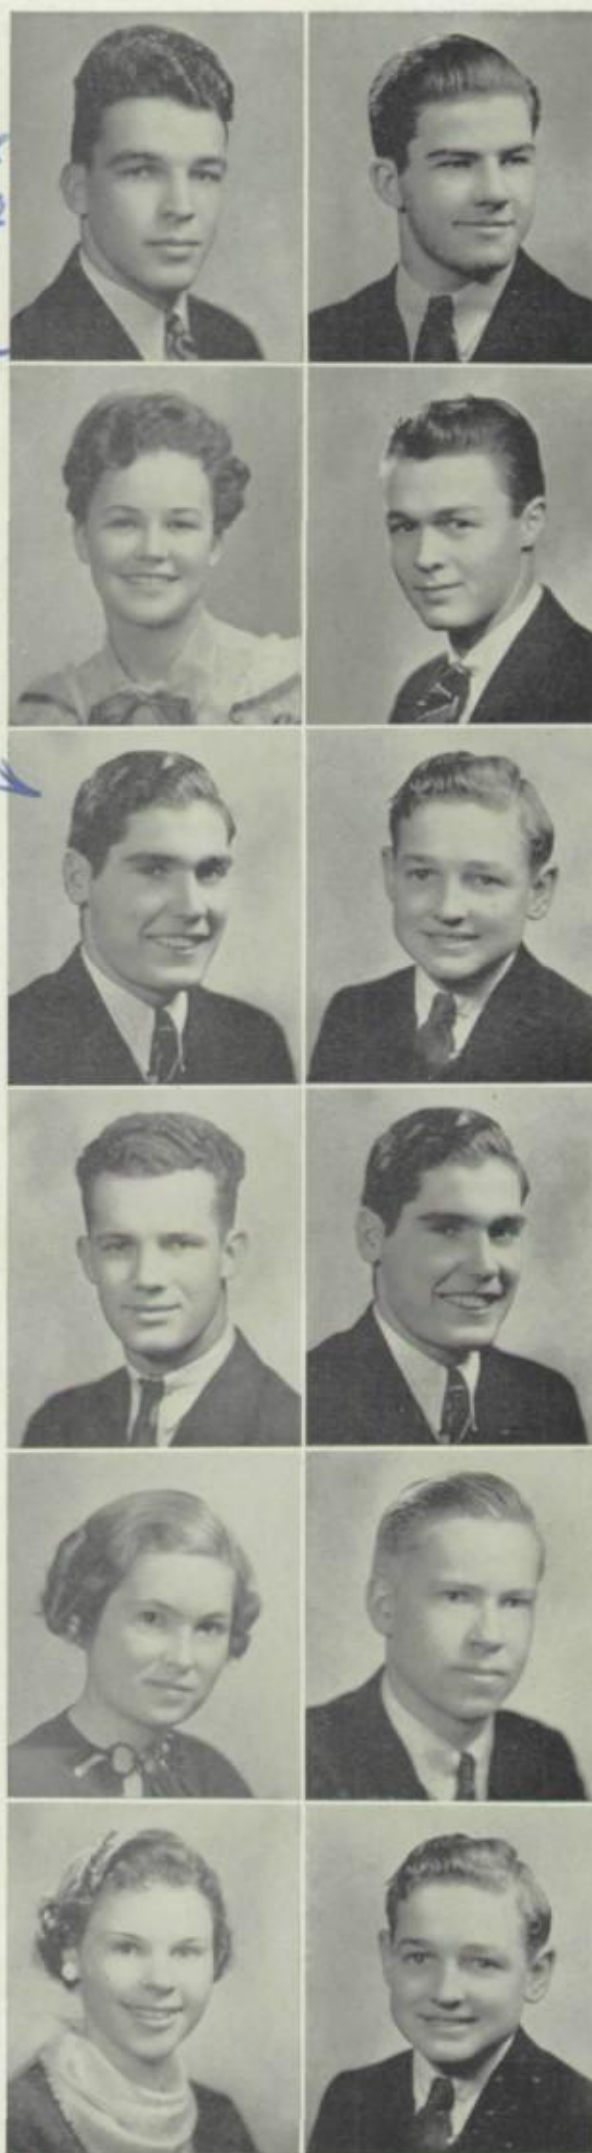

Midge Johns, Exie Jean Stevens, Ruth Perrin, Isabel Nelson, Beth Richardson, Barbara Phibbs, Dorothy Webster, Janice Nesbit, Ruth Hargrave, Betty Hauser, Dorothy Gregg, Ann Adams.

STUDENT BODY

• Beating Pomona, our friendly rivals, in an admirable manner, Chaffey chalked up the first of a series of successes. After securing second place in the Citrus Belt League in foot-ball, the good work was continued and Chaffey took second place in basket-ball also. The Davis track meet offered Chaffey a chance to really display her best, and our school came home with first place by a sizeable margin. • The dramatic ability of the Senior class made their play, "Growing Pains," a glorious success. The Extravaganza, "Collegiate Cruise," was as equally well presented. • Informal dances were held for the first time and the Chaffey enthusiasm and good will made them instantaneous successes. Also for the first in the history of our school lower classmen were allowed to attend a school dance. The Junior-Senior dances were also bright spots in the year's activities. • The second semester Student Body elections inaugurated political parties, the "Bow Ties" and the "Red Ribbons." The parties rallied behind their candidates, Leroy Brown and Exie Stevens, wearing party emblems. After step rallies, campaign platforms and propaganda, Leroy Brown, Bow Tie candidate, was elected. • Chaffey has been most fortunate this year in having debaters and speakers of ability. Many new features were inaugurated in Chaffey's fifteenth annual Junior fair. • Despite the unfinished condition of the campus and the condemnation of our auditorium the spirit of enthusiasm and co-operation, which is Chaffey's, have made this year a series of brilliant successes.

First Semester: Pres., E. Schultz; Vice-Pres., R. Halpern; Sec., B. Phibbs; Treas., W. Mertz; Adv. Mgr., T. Casaletti; Yell Leader, B. Thrall. Second Semester: Pres., L. Brown; Vice-Pres., T. Casaletti; Sec., M. Fleming; Treas., F. Tift; Adv. Mgr., D. Ogle; Yell Leader, B.

THE ORANGE AND THE BLACK

To Chaffey's glowing colors
We owe allegiance true,
And forever we will cherish
Our banner's glorious hue;
So we'll hail our radiant colors,
No honor shall they lack
While Chaffey stands defender
Of the Orange and the Black.

Then all hail to dear old Chaffey,
All hail her colors bright;
A cheer for her defenders,
All honor to her might.
When we win all athletic victories,
On the football field and track,
We are working sure for Chaffey
And the Orange and the Black.

To our high school we'll be loyal
When we leave her honored halls,
Her spirit still shall guide us
Wher'er the future calls;
And we'll gain new faith and courage
As we turn our memories back
To those happy days at Chaffey
'Neath the Orange and the Black.

Through twenty-five years, Chaffey's own song has been the "Orange and Black." It has been shouted and sung in victory and defeat, by frail Freshmen and mighty Seniors. It is a lasting part of the Chaffey tradition. When the original words were written in 1906 by Mrs. Lana M. C. Conger, still a Chaffey teacher, the song was called the "Cardinal and Black," after Ontario High School's colors. The tune is an old Princeton one. When Chaffey was created, it became the "Orange and Black," and has been Chaffey's song ever since.

ERNEST SCHULTZ

DORIS ARMS

Elected Vice-President of Class of '36. Became President on resignation of Ernest Schultz.

ELIZABETH RICHARDSON

Secretary-Treasurer of Class of '36.

CLASS OF '36

• The Class of '36 will be best remembered for the introduction at Chaffey of informal dancing and flashy red sweaters, both being something radically new for Chaffey. Also among the class activities were the play, "Growing Pains", enjoyable comedy of adolescence, the Senior Mothers' Tea, and the Water Carnival in the new pool. • The series of informal dances, was a great success and promises to become a custom. Handicapped by the condemning of the auditorium, the senior play, "Growing Pains" overcame its difficulties to maintain the senior play tradition. • The red sweaters aroused much comment and no little surprise, but were generally popular and certainly unmistakably distinguished a senior from all other creatures. • In athletics of all kinds, members of the Class of '36 have taken active leadership and have lead Chaffey teams to many victories.

UPLAND CLASS OF '39

• The words, "Learning is Life", in mosaic tile over the school doorway, proclaim the spirit of Upland Junior High School and the class of '39. This is more than a motto; it is a great and true philosophy. There is added inspiration at Upland Junior High School. The building of tan stucco, is a beautiful and a new one. There are cool shrubs, rich lawns, tennis courts, and extensive athletic fields. The class of '39 has enthusiastically carried on the duties and activities of this first year of high school. In athletics their teams have been characterized by success and sportsmanship. The Boys' and Girls' Leagues have been most active. The class has done much to make successful the plays and programs presented at the school.

● FONTANA CLASSES OF '38 AND '39

● The Fontana class of '38 has shown itself to be one of enthusiasm and vigor. At least six of its members had important parts in Fontana's brilliant production of "Growing Pains". The class can boast of splendid students and a large Honor Society membership. The banquet, this year, was held on April 4. It was a great success, offering fun and enjoyment to all. It was remarkably supported by an attendance of ninety percent of the class enrollment. Chaffey and Mr. Owen should welcome enthusiastically the many fine instrumentalists on the saxophone, drum, trombone, cornet, and violin.

HONOR SOCIETIES

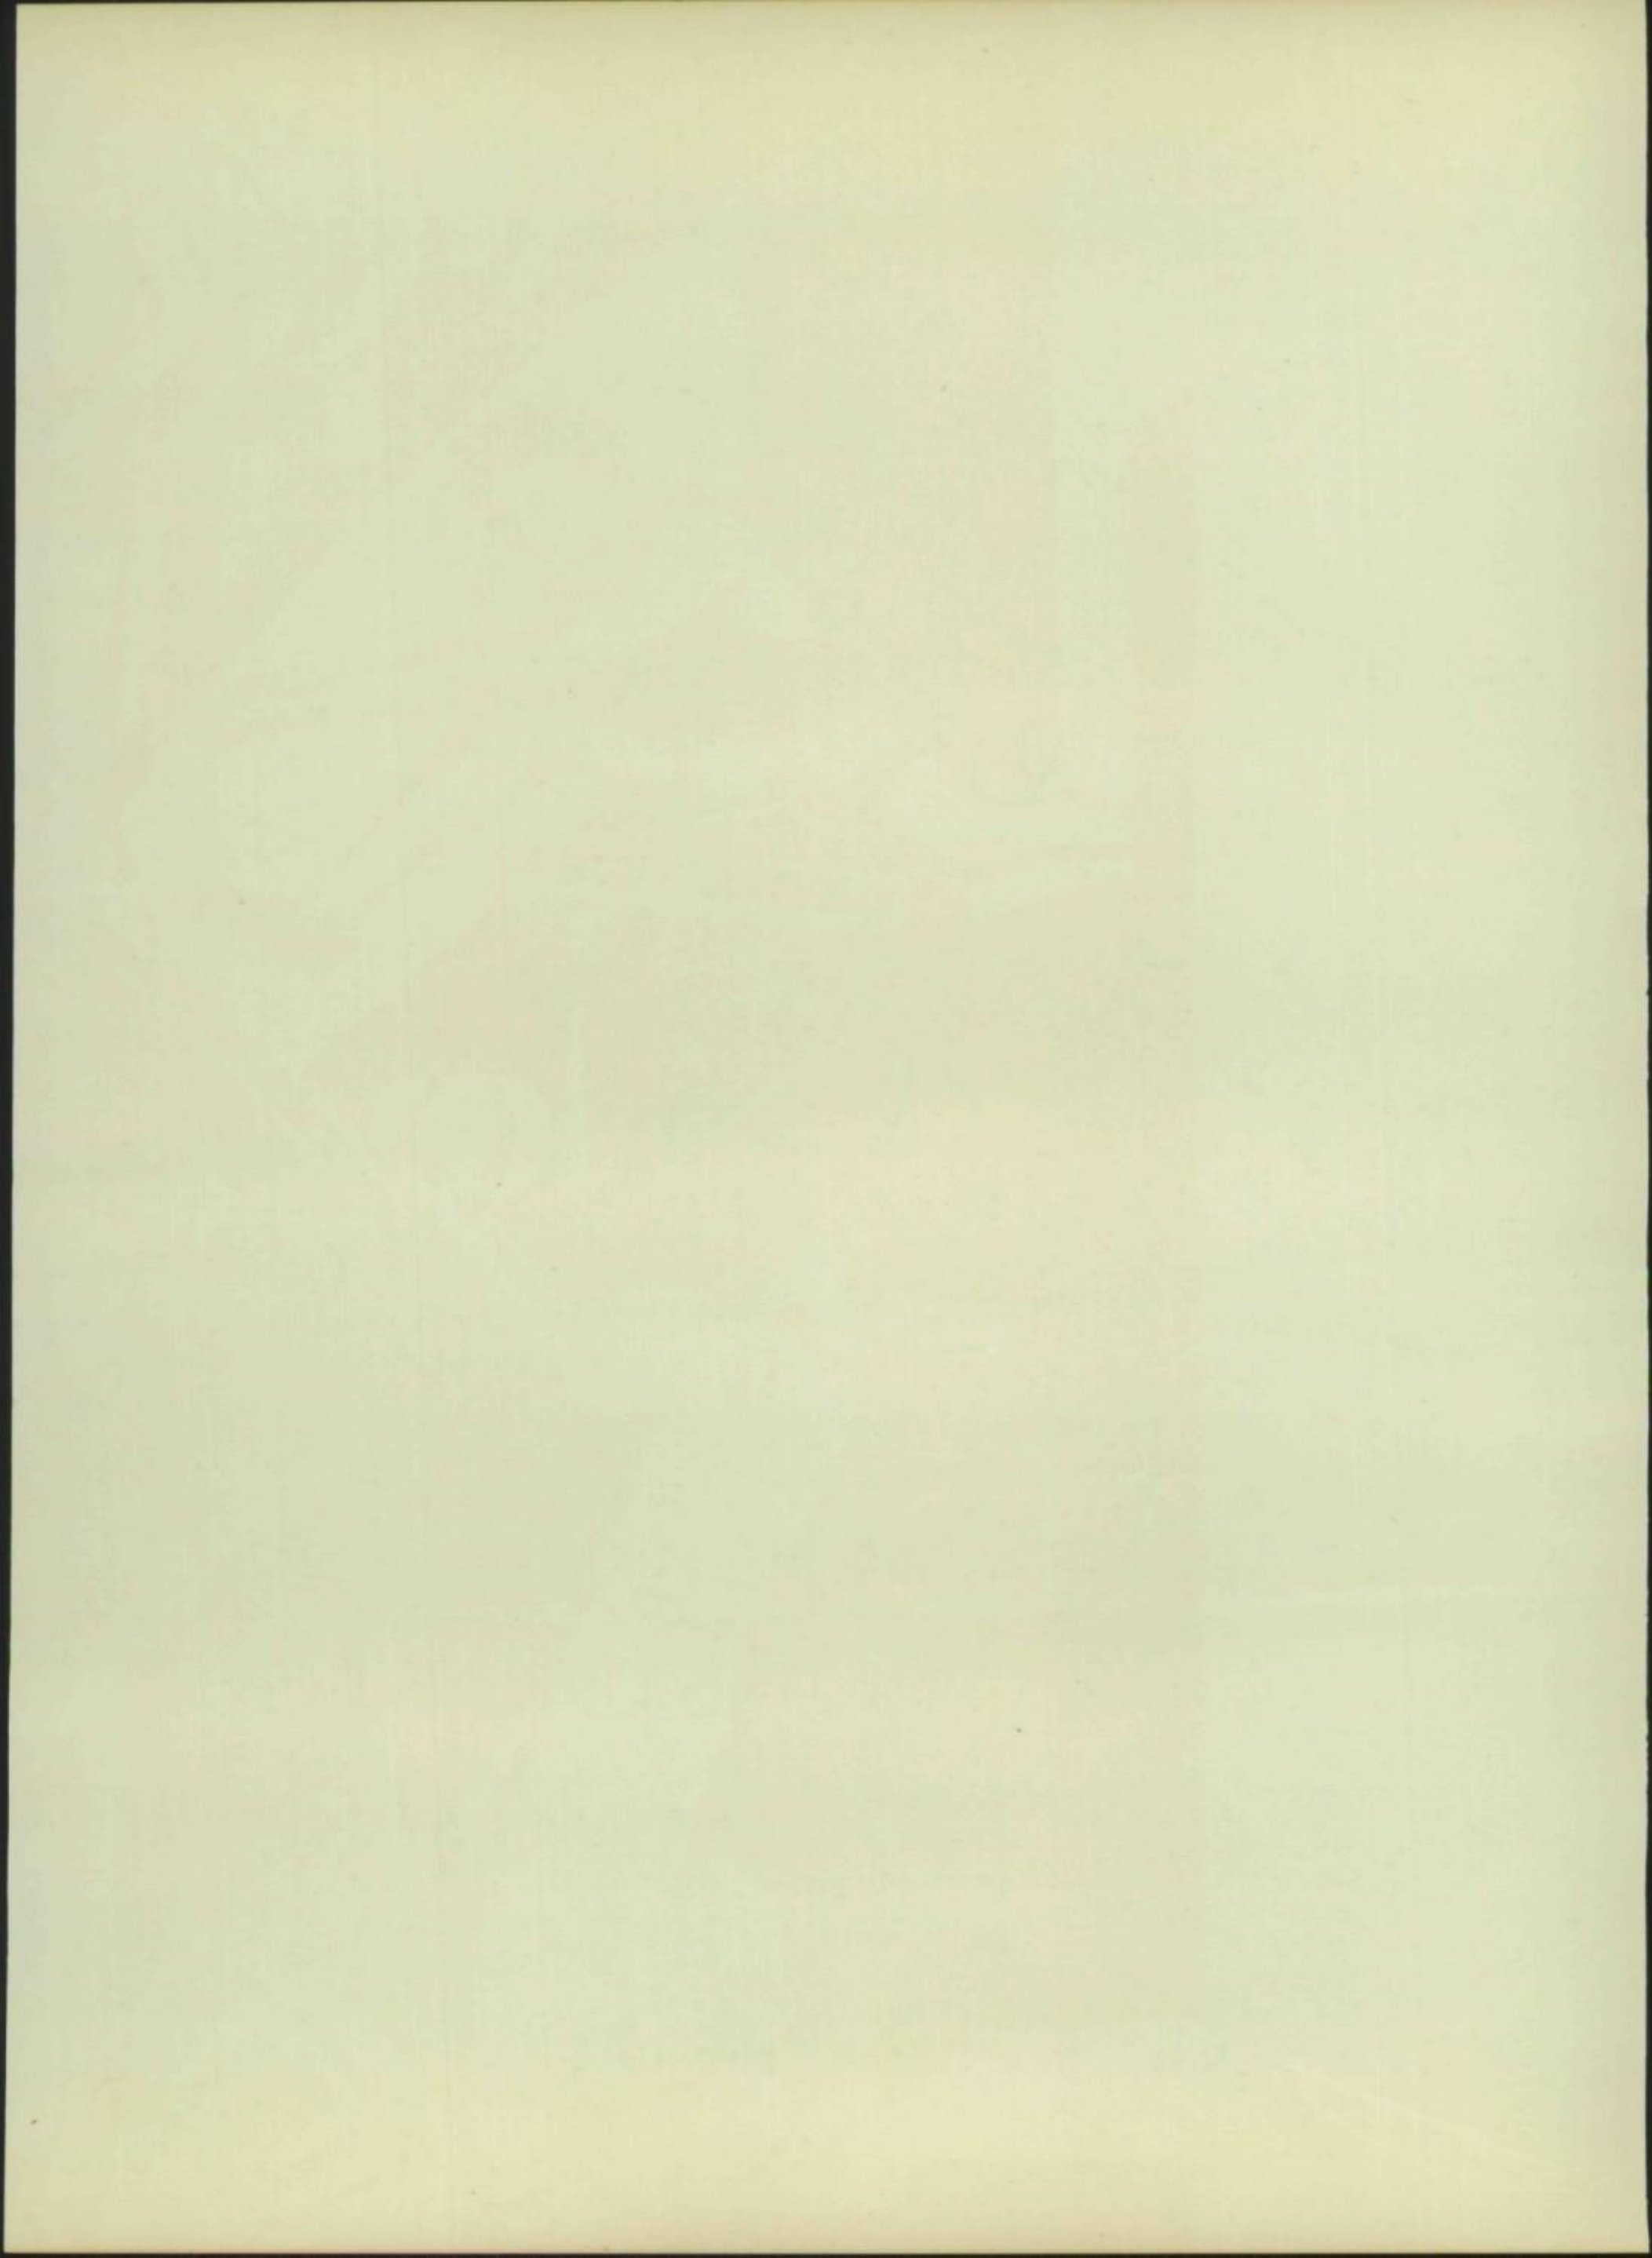

UPLAND HONOR SOCIETY

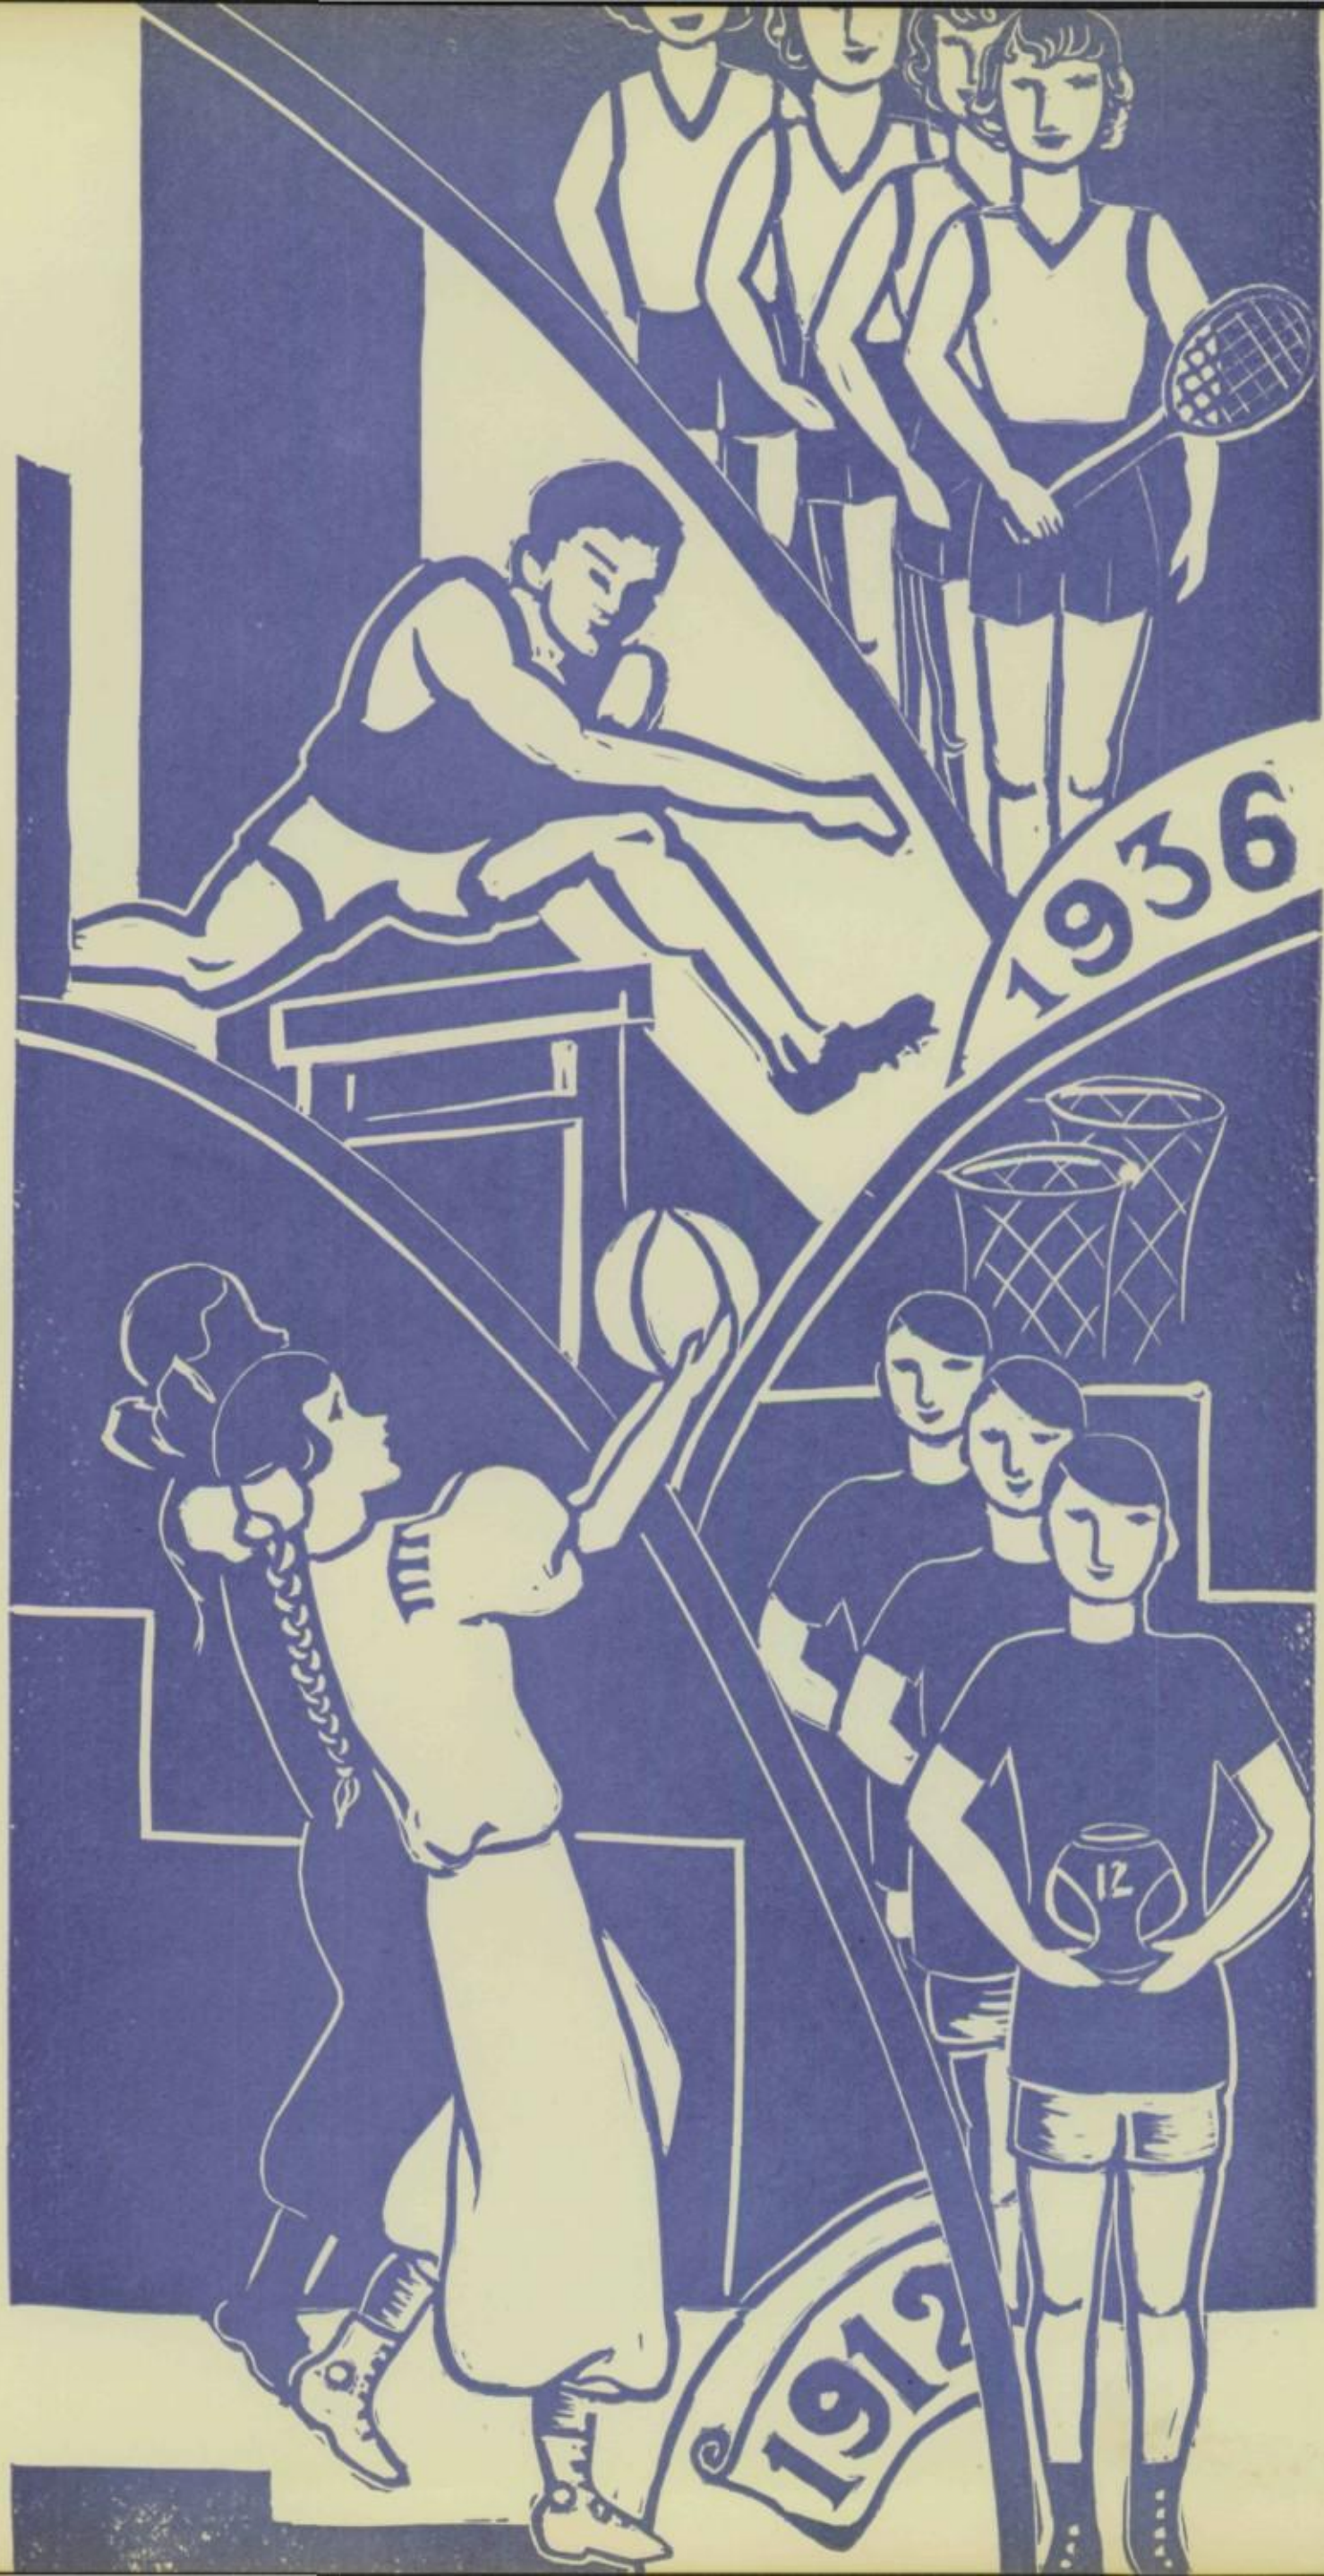

● The lamp of knowledge burns brightly at Upland Junior High School. There are at least ten students from the class of '39 who belong to the Scholarship Society. The organization is a part of the Chaffey Branch of the California Scholarship Federation and points earned in it apply toward a gold seal. The membership requirements make necessary the possession of three "A's" and a "B". Because of this, members can rightly be proud of their achievement.

FONTANA HONOR SOCIETY

● The Fontana branch of the California Scholarship Federation is a part of the Chaffey organization. Its qualifications for membership are the same. Ten points are the lowest score possible for admission. The points are based on semester grades. Three points are given for an "A" and one for a "B". The class of '38 can boast of a large number of representatives in this society. Because of the high standard of its requirements it represents students of ability and intelligence.

COACHES

• After fourteen years at Chaffey, Coach Karl William Kaiser is the head of both the high school and junior college boys' physical education departments, besides being head basketball coach and football line coach. He has a record to be proud of—ten championship basketball teams out of fourteen coached. Under his supervision, the boys' physical education program has been greatly enlarged. • In the eight years that Howard "Mugs" Mitchell has coached the high school football teams they have always been near the top, winning the league title once. Before coming to Chaffey, "Mugs" attended Stanford University where he played on the varsity football and basketball teams for three years and coached two years. • The kindly personality of trainer James J. "Jim" Cassidy has endeared him to many Chaffey students and athletes in the past seven years. Throughout the years he has always kept his cheery smile and a toothpick between his teeth. Jim was a trainer at the University of Pennsylvania in Philadelphia for 25 years before coming to Chaffey. He has repaired untold members of the battered athletic heroes. • In the fifteen years that he has been at Chaffey, Coach Wellington H. "Pop" Kegley has maintained an almost unmarred track supremacy for the Tigers and has coached Cub football. He did well in football and track in high school and graduated with honors from Coe College in Iowa. The friendly term "Pop" was bestowed upon him in his first year at Chaffey. His uncanny ability to produce good teams shows no signs of failing. • Mr. Fred Clapp has been coaching swimming at Chaffey high school since 1915. During this time he has produced several championship teams, including three in the last five years. Mr. Clapp graduated from Southwestern College where he became notable as a track and football star. • For the past three years Mr. Roy Vick, a member of the Chaffey faculty since 1931, has coached the boys' tennis team and has placed them within a few points of the championship each year. Mr. Vick is a graduate of Chaffey high school and the University of California at Berkeley.

Howard (Mugs) Mitchell, Karl Kaiser, Wellington (Pop) Kegley, Fred (Hiram) Clapp, Roy Vick, James (Jim) Cassidy.

●

● Winning two games, losing one, and tying one, Chaffey ended the football season in second place. Only one point stood between the powerful Tigers and another Citrus Belt league championship. Leroy Brown, hard-working quarterback, was elected captain of the team. ● All the first string were mentioned on the all C.B.L. squad. Till Casaletti, Harry Smith, and Jim Orsburn were voted to the all C.B.L. first string with Albert Cummings, Hubert Harris, and Jim Topliff gaining second-team places. The other five members of Chaffey's first string received honorable mention. Harry Smith was chosen for the tackle position on the all-Southern California first string this year. Jim Orsburn was listed as tackle in the honorable mention column of the all-Southern California choices, Bob Orsburn as guard, while Till Casaletti and Ernie Schultz made the end column. ● In their first practice game, Chaffey successfully subdued Fullerton with a powerful forward wall. Next, the Tigers downed the El Monte Lions with a quick drive in the first quarter. After scraping the Sherman Indians by a big score, and winning one and losing scrimmage with Pomona College, the Tigers opened the Citrus Belt League season against Pomona. Always the big game, the Tigers and the Red Devils being traditional rivals, this game was the climax

HEAVYWEIGHT FOOTBALL

of the season. Chaffey won by a comfortable margin. The next week, the Tigers were abruptly halted in their championship drive by the Poly-Bears. After leading all the way, a last minute pass connected to give Riverside the decisive victory. The Poly-Bears later won the championship. ● Not up to their usual form, the Cardinals scored an upset by holding Chaffey to a tie. In the last game of the season, playing on their home field, the Tigers overwhelmed the Redlands Terriers to end the season with a burst of power. ● On the whole it was a successful season, for the defeat of the Red Devils in the big game was no small feat, and the champions only won from the Tigers by one point.

● CHAFFEY DOWNS FULLERTON 6-0

● Playing in a night game at Fullerton in their first practice tilt, the Tigers displayed championship possibilities. With the aid of their superior forward wall, Cummings and Ovitt drove from their thirty yard stripe to a touchdown, Cummings plowing over from Fullerton's four yard line.

● POWER SUBDUES EL MONTE 13-6

● A powerful and speedy campaign in the first quarter enabled the Tigers to defeat the formidable El Monte Lions on Graber field.

From their own 32-yard line, the Chaffey backs fought to the first goal in seven plays. Harry Smith converted. The second tally resulted from Casaletti's recovery of an El Monte fumble deep in Lion territory. With four minutes left to play, El Monte began a touchdown march from their own thirty-five.

● TIGERS TRIM TOMAHAWKERS 25-7

● In their final practice game at Sherman Institute, the Tigers played straight football and rolled up their biggest score of the season. The light Indian team made their lone score against the Tigers second string by means of passes, laterals, and double reverses.

● SCRIMMAGE SCORES SPLIT 0-6; 14-6

● Winning one and losing the other, two scrimmages were participated in by the heavyweights. The first was with the Pomona College Sagehen who went home with the six end of a 6-0 score. The second scrimmage was played at Redlands university where the university freshmen drew the short end of a 14-6 score.

● RED DEVILS ROUTED 13-0

● Triumphant over their traditional rivals, the Pomona Red Devils, and bringing home the first victory on the Cardinal field in twenty years the Tigers made a splendid beginning in the gridiron season. Chaffey's heavy linemen and light backs were pitted against the light linemen and heavy backs of Pomona. The superior line won for the Tigers, both tallies being made possible by punts blocked by Harry Smith and Jim and Bob Orsburn. The first touchdown came early in the second half. Smith and the Orsburn brothers broke through on the fourth play of the period and blocked a punt. On the third play after taking possession of the ball on the seven-yard line, Cummings thundered across to the goal. Smith's conversion attempt was blocked.

Three minutes later another punt was blocked by Smith and Orsburn, and in two plays Cummings cracked over for the second goal. Smith kicked a perfect conversion. Previous to these successful drives, Ovitt had sprinted to the one-yard line where he fumbled and lost the ball. The Red Devils threatened Chaffey's goal only twice during the game.

● CHAFFEY CHECKED BY CHAMPIONS

● One minute of play, one point, and a superior Riverside backfield on Graber field blot-
ted out Chaffey's hopes for another cham-
pionship team. With Chaffey leading 6-0 and
one minute remaining in the last quarter,
Morelock, Riverside's ace quarterback, called
the strategic "razzle-dazzle", spread play.
Standing on Chaffey's 34-yard line, he re-
ceived the ball from center and passed a long
lateral to Pinkerton, on the south side of the
field, who in turn threw a long forward which
fell into the waiting hands of Ballard, River-
side end, who was standing in the end zone
behind two Tiger backfield men. Morelock
made a close conversion for the winning point.
The Tiger touchdown was made in the first
period when, after a series of fumbles, the
ball was in Chaffey's possession on the Poly
Bears' 23-yard mark. Two successful passes,
the first from Ovitt to Harris, advanced the
ball to the three-yard line. Cummings then
pushed through to the one-foot line from
where he crashed over. Smith's attempted
conversion was blocked.

● CARDINALS TIE CHAFFEY 6-6

● Playing listless ball against San Bernardino
on the Cardinal field, the Tigers were held to
a 6-6 draw. In the second quarter the Chaffey
team demonstrated its actual power by stag-
ing a 60-yard march to a touchdown in four

plays. After Harris, Ovitt, and Cummings had slashed through the line for gains of 25, 20, and 9 yards, respectively, Ovitt shoveled a short pass to Harris who sprinted eight yards to score. The pass for conversion was incomplete. Late in the fourth period, San Bernardino blocked Chaffey's fourth down punt and received the ball on the Tiger five-yard line. The Cardinals remained on the five until their fourth down when Montford caught a pass on the white stripe and fell back into the playing field. Montford had been in scoring territory for a fraction of a second and the score was tied. The try for a winning point was blocked.

● TIGERS CRUSH TERRIERS 23-0

● Determined to end their season triumphantly, the Tigers played top-notch football against the Redlands Terriers on the Chaffey field in the closing league game. The Terriers were outplayed throughout the contest because every man on the Chaffey team, including the reserves, was in top form. The slashing runs of the Tiger backfield men scored two touchdowns in the first quarter and a third in the final period. The furious-rushing of the linesmen resulted in two blocked punts, scoring a safety each time, one in the second period and one in the fourth quarter. Coach Mitchell gave his second and third strings plenty of chances to play in their last game. Chaffey, 23; Redlands, 0.

● SPRING PRACTICE

● Although handicapped by the graduation of such stellar members as Harry Smith, Hubert Harris, Jim Orsburn, Til Cassaletti, and Ernest Schulz, the 1937-38 team, showed possibilities during the annual spring practice of developing into another strong team. Most of the time was spent in drilling on the fundamentals of the game. A few scrimmages were held. By next year, the new field and bleachers will have been completed.

LIGHTWEIGHT FOOTBALL

• When the Citrus Belt lightweight league closed, the Chaffey Cubs were in a three-way tie for second place with the Pomona and San Bernardino lightweights, having won two and lost two of the four games played. The Riverside Poly-bearlets captured the lightweight title, having won every game against their league opponents. The Cub squad was fairly heavy and many of the boys displayed promising ability for next year's heavyweight team. • In preparation for the C.B.L. games, Coach Wellington H. "Pop" Kegley secured several practice games and scrimmages for the lightweights. The first practice tilt was played with the older and heavier California Junior Republic who gleaned a 6 to 0 victory over the Cubs by means of a blocked punt behind the goal line. Earlier in this game the Republic held Chaffey on the one-foot line after Shoji had intercepted a pass and run fifty yards to that position. • The lightweights held the upper hand in a second game with the Republic on Chaffey's bye date, in which their rivals attained their half of a 7 to 7 tally by a last-minute pass. The Cubs gained their points in the first quarter by a long march to the goal ending with Adams plunging over the line. • The last practice engagement ended with a 6 to 2 victory for Chaffey

over the Sherman Indian lightweight team. The Chaffey lightweights also played Claremont high school. • With both teams playing an excellent defensive game, the Cubs started their C.B.L. season by avenging last year's defeat by the Pomona lightweights with a 6 to 0 score. The tally resulted from a long pass from Fetrow to Corn which followed a 25-yard return of an intercepted pass by Bailey. • A passing campaign enabled the Riverside lightweights to defeat the Chaffey lightweights with a score of 18 to 0 in the second half of the game after the Cubs had held the advantage in the first quarter. The first touchdown for the Poly-Bearlets resulted from a completed pass, while each of the others were made from intercepted Chaffey passes. • The Cubs' second defeat was handed to them by the lopsided score of 26 to 0 in the last three periods of a game with the speedy San Bernardino Cardettes. The Chaffey backfield was unable to contend with the brilliant running done by Pusinger, Cardette tackle. • In their last game, the Cubs put the Redlands lightweights on the short end of a 7 to 0 tally by means of a blocked punt in the third period. The game ended with the Cubs on their opponents' one-yard line.

● After a long fight for the Citrus Belt crown, the Tigers lost the decisive game to Redlands, leaving Chaffey in second place, tied with Pomona. The Tigers had an unexpectedly successful season, losing only five games out of the seventeen played. They were undefeated on the home floor. ● Starting slowly, Chaffey lost the opening league game to Pomona, but rallied to win a tight game from Riverside and subdue Sherman. The Cardinals handed the Tigers their second defeat. After neatly disposing of Redlands, the Tigers avenged their former defeat by the Red Devils, playing possibly their best game of the season. Next, Chaffey downed Riverside, Sherman, and the Cardinals, and then played Redlands for the title. Redlands refused to be downed, leaving the Tigers without the crown, but among the leaders at the end of a successful season. Next year's team should be exceptionally strong, due to the number of juniors on this year's squad. ● Jim Topliff, forward, was the leading scorer in league competition for the Tigers with fifty points, while Robert Doll, the other forward, scored forty-nine points. Topliff was the only Chaffey player on the all-C.B.L. first string. Doll, forward; Fuller, center; and Schultz, guard; re-

resented Chaffey on the second string. Halpern received honorable mention.

● TIGERS TAMED BY RED DEVILS, 28-33

● Playing on Pomona's small court, the Chaffey Tigers were unable to function properly in their opening league game. The contest was characterized by rough and tumble playing with 42 fouls being called on the players. The Red Devils took the lead shortly after the start of the first quarter and held it until the final gun, the score at the half being 13 to 11 in their favor. Dick Halpern, Tiger guard, led the field in scoring ten points.

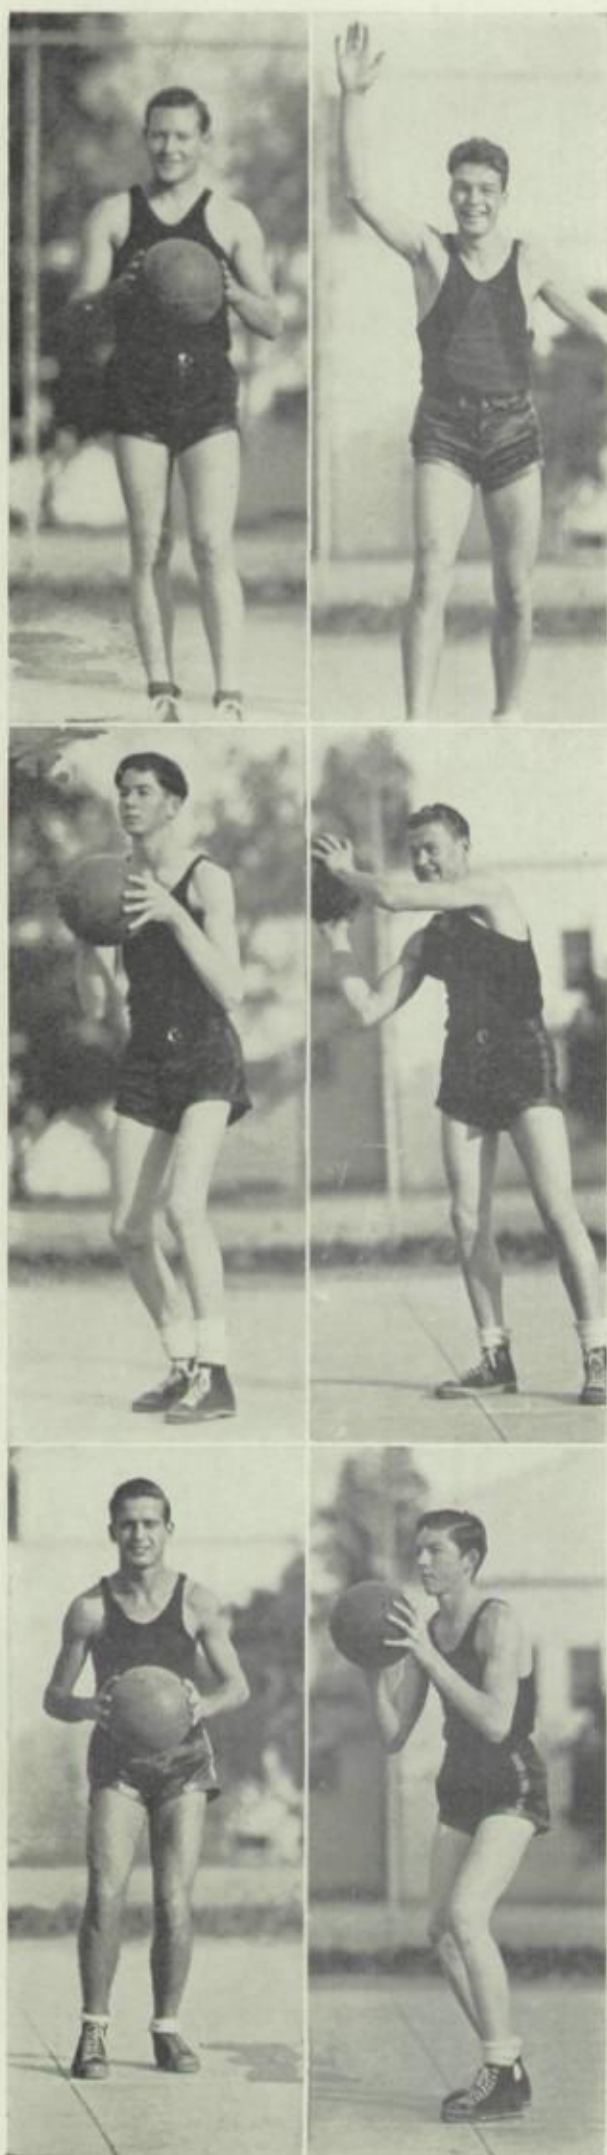

● POLY-BEARS PUMMELED, 22-19

With both teams stressing defense, Chaffey fought to an exciting victory over the Riverside Poly-bears on the Chaffey floor. The Tigers took an early lead and led by a safe margin throughout the game. With 25 seconds left to play, the Bears pulled up to within one point of Chaffey. Then Doll went in for a set-up to cinch the victory for the Tigers. Doll, Chaffey left forward, and Bellah, Riverside left guard, tied for scoring honors, with seven points apiece.

● CHAFFEY SCALPS INDIANS, 44-31

● Chaffey played a non-league contest with Sherman Institute on the bye date of each Citrus Belt league round. In the first game, the Tigers won by a second-half rush. The Indians were leading 15 to 12 at half time. Then Coach Karl Kaiser sent in the Tiger first string to score the needed points. Sells, left forward for the Institute, scored 15 points, and Schultz, left guard for Chaffey, scored 11.

● CARDINALS HUMBLE TIGERS, 38-46

● Although an inspired rally put them ahead three minutes before the end of the game, the Tigers were defeated by the San Bernardino Cardinals. Early in the game the score was tied at 10-all, after which the Cards moved ahead. The Chaffey five was hampered by the low rafters of the San Bernardino gym. In the fourth period, the Tigers began a spurt that put them in front, and then stopped scoring. Stano, Cardinal forward, made eight baskets for sixteen points.

● TIGERS TRIP TERRIERS, 31-26

● The Tiger five defeated Redlands at Chaffey in a fast game and placed themselves in a tie for second place in basketball standings at the end of the first round. As usual, Coach Kaiser sent his regulars into the game late in the first half and they took a 15-14 lead at the end of the half. The second half was in Chaffey's favor with the Terriers threatening only once. McClelland of Redlands was high-point man with nine points; Schultz, 8; Topliff, 7.

● REVENGE ON RED DEVILS, 22-20

● In a fast and furious contest on the Chaffey floor, the Tigers avenged their first-round defeat by Pomona, and battered their way into a three-way tie with Pomona and Redlands. The Tigers led off in the scoring and were leading at half-time, 9-8. They began the second half with a rush, but the Red Devils began to function until they were only one point behind with a fraction of a minute to play. Doll made a final free throw. The scoring was led by Reynolds of Pomona with ten points; Doll, 9; Topliff, 8.

● CHAFFEY ROUTS RIVERSIDE, 29-24

● By trimming the Riverside Poly-Bears a second time, Chaffey kept pace in the first-place tie. Coach Kaiser started his junior team, who built up a 12-3 lead before leaving the game. At half-time the Chaffey regulars were leading 15-7. They soon built up a larger lead and then went to pieces, allowing Riverside to narrow the margin. Schultz, Tiger guard, and Dole, Bear center, tied for high-point honors with eight points each. Bleick played an outstanding defensive game.

● TIGERS MASSACRE INDIANS, 41-16

● In their second bye-date encounter with the Sherman Indians, the Tigers rolled up a one-sided victory over their opponents. Every member of the Chaffey squad entered the game and most of them added to the winning score. Doll, Tiger forward, was way out in front with 13 points. At the end of the first half, Chaffey was ahead 22-9.

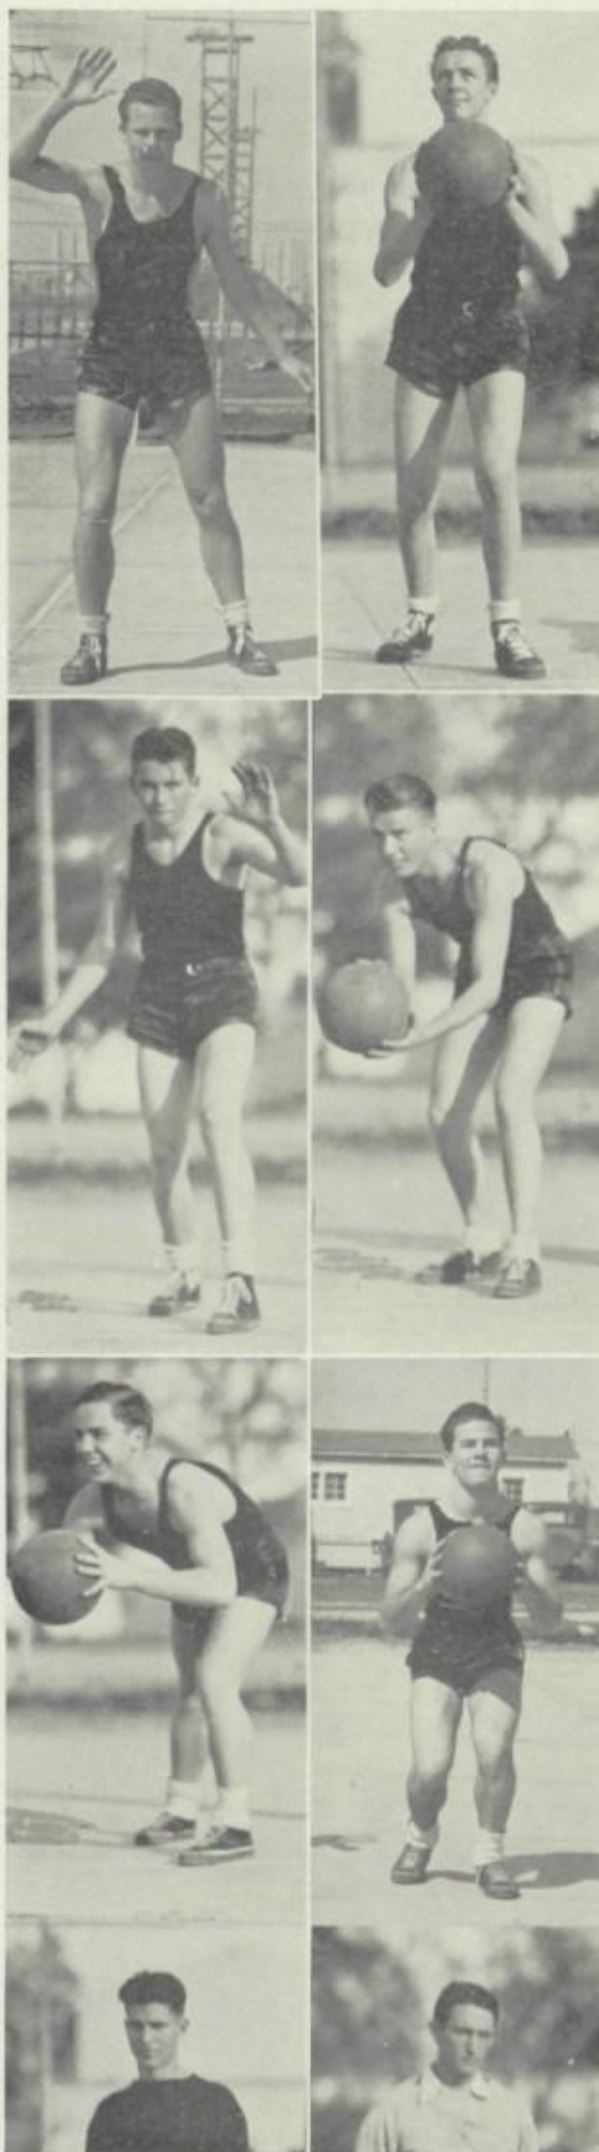

● CHAFFEY BEATS BERDOO, 14-10

● Displaying stellar defense work and shooting wildly, Chaffey and San Bernardino scored the lowest tallies in the annals of Chaffey basketball. In the entire first half, the Tigers made only one field goal, four points in all, while the Cardinals went scoreless. The scores advanced to 9 and 5 by the beginning of the fourth quarter when the Cards rallied and tied the score 9 to 9. Chaffey regained its four-point lead to win the game.

● TITLE TAKEN BY TERRIERS, 27-36

● Chaffey's second game with Redlands turned out to be a battle for the Citrus Belt league title. The Tigers, being handicapped by illness on the first string, lost by a substantial margin. The Terriers took an early lead which Chaffey reduced to one point early in the second quarter. The winners led 13 to 8 at the half. In the fourth period the Tigers came within four points of the Terriers, but Redlands proved to be the league champions. Doll of Chaffey and Katsca of Redlands, rival forwards, scored seven field goals apiece. The scoring was headed by Katsca with 17 points; Doll, 15; Richett, Terrier guard, 9; and Topliff, 8.

LIGHTWEIGHT BASKETBALL

● Final Citrus Belt league basketball standings found the Cubs occupying the cellar position for the second consecutive year, with only two victories to their credit and six games lost. The poor record of the lightweight cannot be attributed to a lack of good material. Several members of the team showed themselves good varsity timber for the future, but, with the exception of the last two games of the season, the team failed to work as a unit. Had the team played oftener as it did in crushing Redlands in the last game, the end of the season might not have found the Cubs at the bottom of the heap. The sudden spirit at the end of the season may mean that although the season's record was poor, there will be some good varsity material for Coach Kaiser next year. ● Starting the season slowly and handicapped by the size of the court, the Cubs lost their first conference game to Pomona by a score of 17-13. On the following Tuesday, Riverside came to Chaffey and proved too powerful for the Cubs as the score of 22-15 indicates. ● In the third contest San Bernardino was given a scare when they barely managed to beat Chaffey by three points, the score being 15-12. The

lightweights came very near to upsetting the high-riding league champions, the Redlands Pups, when they scored six points in the last two minutes of play and came within two points of winning the contest. The score was 19-17. The Chaffey team was defeated on each of its bye dates by the Sherman Institute Papooses. ● Even when playing on their own court the Cubs were unable to down Pomona, since the Cardettes scored six points in the last minute of play to annex the game 17-12. Handicapped by the loss of their star guard, Jim Latimer, the Cubs were beaten for the sixth consecutive time this year by Riverside, the score being 18-13. ● Having been coached for their last two games by Ralph Brown, j.c. '36, who usually handles the lightweight team, the Cubs registered their only two victories of the season. Showing a complete reversal of form they defeated San Bernardino, 18-14. Then, to climax a poor season, the lightweights came home from Redlands on the long end of a 25-14 score, having functioned as a unit at their real strength for the first time. Poindexter was high-point man in this last game, followed closely by Rodriguez and Tucker.

HEAVYWEIGHT TRACK

● Although many top-notch track and field stars graduate from Chaffey high school every year, Coach Wellington "Pop" Kegley invariably comes back with an equally good aggregation the next year. The Tigers have won the Citrus Belt League meet eleven times in the past fourteen years, and no other league school has been first for the past five years. They have won their own Invitational five out of eleven years, while they have an impressive string of victories in the Southern Counties meet and the Orange Show relays. This year they added the Davis Invitational to the list. Hubert Harris, 440-sprinter, and Harry Smith, shot put man, were elected co-captains of the 1936 squad.

DUAL MEETS

● In their first dual meet of the season, the Tigers nosed out San Bernardino high school by a score of 53 1/3 to 51 2/3 on the San Bernardino field. In addition to making clean sweeps in the mile and the shot put, Chaffey men placed first in the 100, 220, 880, and the high jump. Outstanding performances were turned in by Albert Cummings in the 100 and 220-yard dashes, Harold Thomas, Coach "Pop" Kegley's new half-miler, and Rowe of the Cardinals in the hurdles. ● Without the services of Harris, Cummings, and Harvey, the Tigers defeated the Pomona college

freshmen by a score of 72 to 41 in a dual meet at Claremont. The Chaffey squad which opposed the Sagechicks was composed of sophomores as well as heavyweights. Chaffey took first place in every event except the 440-yard dash, the pole vault, and the high jump, and swept the field in the shot put and the 100-yard dash. ● Meeting the Pomona Red Devils on the Pomona field, the Chaffey team swamped their C.B.L. rivals by a wide margin, the score being 77 1/3 to 26 2/3. The Tigers took seven first to Pomona's four, and took the first three places in the mile run. Casey of Pomona showed much ability as a dash man, defeating Cummings in the 100 and 220, while Sweringen hurled the shot nearly 48 feet. DeBerard, Chaffey's sophomore pole vaulter, topped eleven feet when the event was stopped.

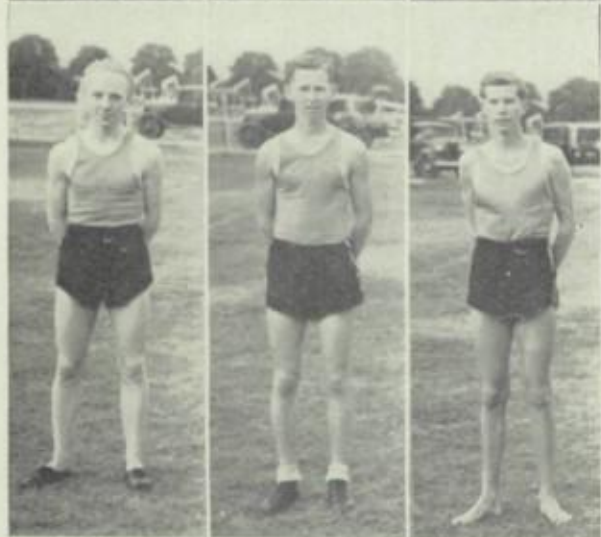

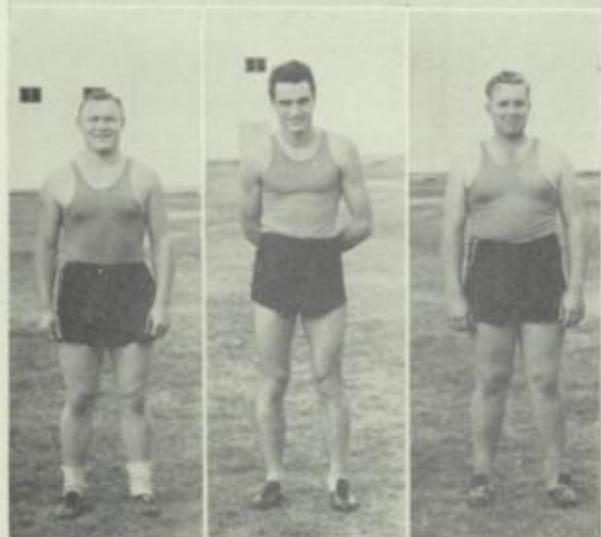

ORANGE SHOW RELAYS

● Ending Chaffey's three consecutive years of victory in the class B division of the annual Orange Show relays, Redlands high school scored 28 1/2 points to the Tigers' 19. Pasadena was in between, putting Chaffey in third place. The results of this meet were regarded as a serious threat to the supremacy of Coach Wellington H. Kegley's track teams in the Citrus Belt league, since Pomona also took many points from the Tigers. ● Chaffey's

teams came in second in the $\frac{1}{4}$ -mile relays, the $\frac{1}{2}$ -mile relay, and the 2-mile relay. The medley team placed fourth. In the field events, Sible took third place in the high jump, and Orsburn did the same in the shot put, while Lineberger tied for third in the pole vault.

● SOUTHERN COUNTIES MEET

● For the third successive year, the Tigers won the Southern Counties track and field meet at Huntington Beach. This year they scored $26\frac{1}{2}$ points to lead San Diego High School by a seven-point margin. The Tigers took only two first places but they were in the point winners circle enough times to add $16\frac{1}{2}$ more to their total. ● Chaffey's two winners were Harris in the 440 and Cummings, who ran the 220 in 22.2 seconds. Cummings scored third in the 100. Thomas finished close behind DeLapp of Montebello in the 880, forcing him to break the meet record of 2 minutes 2.2 seconds, established by Weldon of Chaffey, by one tenth of a second. In addition, Chaffey took another second place, two third places, a tie for third place, and two single points.

● DAVIS INVITATIONAL

● In his second invasion of the Davis Invitational meet, "Pop" Kegley took twelve boys with him and brought back the winners' trophy. The Tigers scored $33\frac{1}{4}$ points in the class A division of the meet, three more than Bakersfield, who finished second. Last year, in its first trip north, the Chaffey team of eight boys captured second place. ● Three Chaffey boys won in their events. They were Thomas in the 880, Cummings in the 100, and Harris in the 440. Doll was tied for first in the pole vault. Second places were scored by Smith in the shot put and Casaletti in the high hurdles, while Sible tied for second in the high jump. The relay team finished third. Stanford in the 880, Cavanaugh in the mile, and Hall in the low hurdles won fourth place points.

● CHAFFEY INVITATIONAL

● Whittier high school won the eleventh annual Chaffey Invitational meet with 21½ points, followed by San Bernardino with 19 points and Riverside with a score of 16. Chaffey tied for fourth with Montebello, scoring 12 points and winning only one first place in the day's program. Coach Kegley saved most of the Tigers for competition in the C.B.L. meet. ● Chaffey's score came from a victory by Harris in the 440-yard dash, second places by Thomas in the 880 and Casaletti in the high hurdles, and a fourth in the 880 by Stanford. Only one record was broken in the open meet, DeLapp of Montebello cracking his former 880 mark with a brilliant 2:01.7 to beat Thomas to the tape. Siemon, a member of the winning team, was high-point individual of the meet, taking first place in the low hurdles and in the 100-yard dash. Twenty-nine schools participated in the meet.

● CITRUS BELT LEAGUE MEET

● In the Citrus Belt League Meet held on the Riverside high school track, Riverside nosed out the Tigers by a bare three-point margin. Chaffey was shoved into second place with 45 points, while the Bears scored 48 1/10; San Bernardino, 39 2/10; Redlands, 24; and Pomona, 23 7/10. The Cubs were fourth in the lightweight division of the meet which San Bernardino won by a wide margin. ● The Chaffey team delivered many fine performances and showed itself to be a worthy successor to the long line of Chaffey champions. Three new records were established. Thomas cracked a long-standing record in the 880, running it in 2:032 to defeat his rival Maley, of Redlands. Brown, of Riverside, broad-jumped 23 feet 11/8 inches. Harris ran the quarter mile in 50.4 seconds, but he was disqualified. The loss of these points cost Chaffey the meet. ● While the Tiger team did not win this year's Citrus Belt League title, it is certainly a credit to Coach Kegley and to Chaffey. The spectacular victory in the Davis Invitational will not soon be forgotten.

LIGHTWEIGHT TRACK

● Although the Chaffey lightweights did not win many meets, they placed high in every one and showed promise of another brilliant heavyweight team next year. ● Engaging in two dual meets, the Cubs won one and lost one. They defeated the Pomona Imps by a score of 51 to 44. ● In a meet with the San Bernardino Cardettes the sophomores were defeated by a score of 61 to 34. In the latter event Fetrow showed up well in the high and low hurdles, as did Shoji in the high jump and broad jump, Harms and Latimer in the shot put, and Barber in the pole vault. ● The Cubs finished third in the novice division of the Chaffey Invitational meet. They scored 123/4 points, while the Montebello novice team won with 30 points and Colton was second with 18 points. Bailey took the lightweights' only first place by winning the 220-yard dash. He came in second in the 100-yard dash, and Fetrow did the same in the 120-yard low hurdles. The relay team finished fourth in their event. Shoji added the 3/4 of a point with a four-way tie for third place in the high jump. Chaffey was ahead of all of its Citrus Belt league opponents in this meet. ● Three new records were set in the novice meet. Bugbee of Montebello ran the hundred in 10.3, two tenths of a second better than the former record; Denier of Colton took the 70-yard high hurdles in 9.8, beating the old record by one-tenth of a sec-

ond; and Nordheim of Fullerton set a new eight-pound shot mark at 53 feet, 5 1/2 inches, an increase of more than seven feet. Peterson of Pomona broke the 120-yard low hurdle mark with a victory in 14 seconds which tied the old mark; and Hopper of Montebello tied the record of 37.9 seconds in the 330 yard dash which was established by Bess of Corona last year. ● In the lightweight division of the Citrus Belt league preliminaries, field events were run off as finals while track events were preliminaries with the finals set for the day of the big meet. Christensen picked up a half point in the high jump with a tie for fourth place. Wooten scored three points in the broad jump with a second place, while Barber got two and a half more in a tie for second in the pole vault. Besides these six points, stored up in advance, Hargraves and Ayles qualified for the finals in the 70-yard high hurdles and Wooten qualified in the 220-yard dash. ● The Cubs were unable to repeat last year's victory in the C.B.L. meet. They slipped into fourth place with 19 points, while the San Bernardino sophomores were way out in front with a score of 74 1/2. Chaffey scored no first places in the meet, but Wooten was second in the broad jump and Barber tied for second in the pole vault. One record was shattered in the novice division, Flint of San Bernardino putting the shot 52 feet 1/4 inch.

SWIMMING

• Because the old swimming pool was dismantled while the modern fifty-meter outdoor plunge on the Chaffey campus was being constructed, the high school swimming team was greatly handicapped in its preparation for Citrus Belt league competition. The hindrance was especially felt this year since less than half of the boys on last year's squad returned for participation in the sport. • Coach Fred Clapp took advantage of every opportunity to keep the boys in shape and give them as much practice as was possible under the circumstances. He contracted for two half-hour workouts each week in the Pomona Y.M.C.A. pool until May when the new Chaffey plunge was completed. • Water polo was introduced to Chaffey high school by Mr. Clapp early in the season in order to give the swimmers more practice. Several matches were arranged with Fullerton, Inglewood, and other high schools whose aquatic program has long included water polo and whose teams were high in ability in the game. The Tiger poloists, although winning none of the contests, enjoyed the activity and derived valuable benefits in training. Water polo will doubtless be a major addition to Chaffey's athletic program in the future. • Since Mr. Clapp was not able to use the Chaffey plunge

during the last few weeks preceding the C.B.L. meet, it was impossible to hold tryouts and give all students a chance to enter the meet as he had hoped. Therefore he has had to rely on those willing to practice under unfavorable conditions. • The following group represent the Citrus Belt meet: Jim Latimer, 100 and 220; Dick Latimer, 100 and backstroke; Ernie Schultz, 50 and medley; Charles Bleik, 50; Bill Davenport, 50; Atlee Clapp, 50 and breaststroke; Jack Homewood, 50 and backstroke; Kenneth Westlund, 50 and 100; John Chapman, 100; Donald Wight, 50; Elmo Flake, 50 and 100; Louis Holbrook, 100 and 220; Willis Scott, Backstroke; Bob Gray, 100 and backstroke; and Rodney Mehl, 100 and backstroke. • The Citrus Belt League swimming contest had not been held when this book went to press but Redlands high school team which had been practicing regularly in the Redlands University and Y.M.C.A. plunge was favored to win. Chaffey is the possessor of one C.B.L. cup, having won it two years ago for the third time. The San Bernardino Cardinals, who practice regularly in their own pool, were picked for second place. Coach Clapp expected the Tigers to finish ahead of Pomona and Riverside with a chance of nosing out San Bernardino also.

BOYS' TENNIS

• This year's boys' tennis team was greatly handicapped for two reasons. First reason was that only three lettermen — Franklin Delahoyde, Kenneth Snyder, and Roger Page, all of whom were seniors—returned to form the nucleus of experience on the team. All of the other boys, with the exception of one junior, Phillip Capen, were freshmen and sophomores. However this fact, although having a disastrous effect on the 1936 season, gave Coach Roy Vick the assurance that he would have some outstanding teams in the years to come. • The second misfortune befell Kenneth Snyder, captain of the tennis team. Snyder, who was the most valuable player on the teams playing first singles, became seriously ill just before the league schedule got under way and was unable to engage in any league competition. This left the squad with no hope of accomplishing anything in the Citrus Belt league. Forming a double team with Franklin Delahoyde, Kenny played in the county singles and doubles tournament later in the year. • Chaffey played three pre-season practice matches, defeating Chino 19 to 0, and losing to Citrus 18 to 1 and Chaffey Junior College 17 to 2. The first league contest for the team was with Riverside who defeated Chaffey by

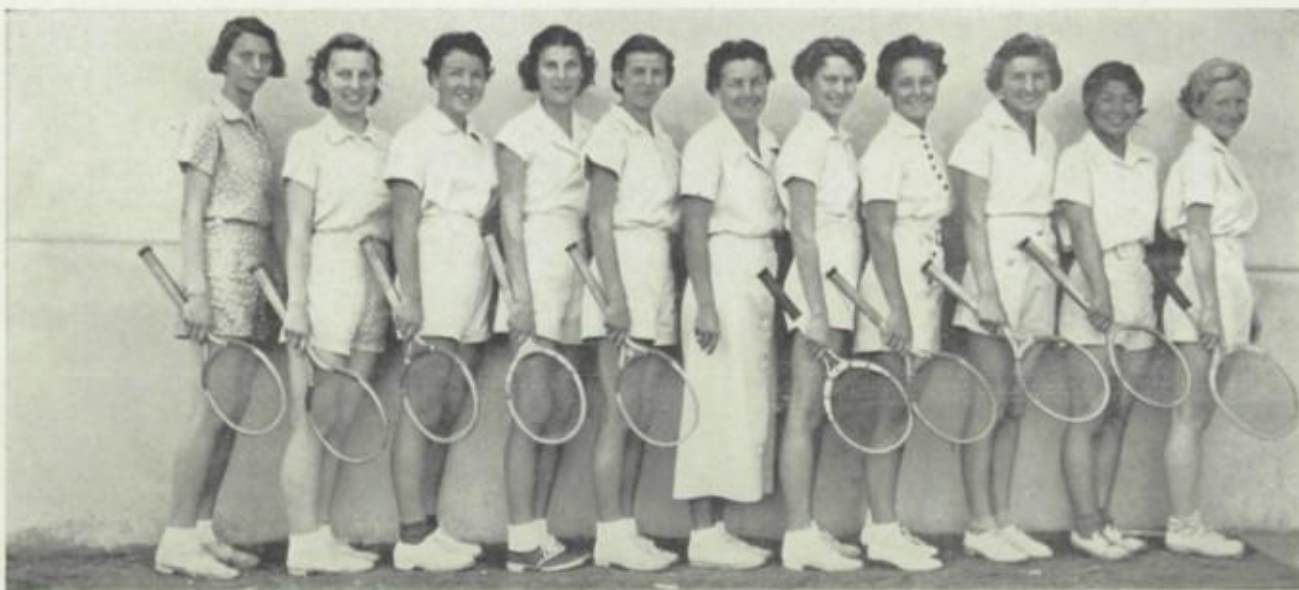

a score of 17 to 2. Pomona came to Chaffey and won 13 to 6. The home squad met Redlands next and were defeated by an 18 to 1 score. The fourth and last dual match of the Citrus Belt league was played against San Bernardino at Chaffey. The Cardinal racquet team blanked the Tigers 19 to 0. • When the tennis season ended, Chaffey high school was at the bottom of the C.B.L. standing, having won none of its matches. The Redlands Terriers who won all four of their matches were the winners. San Bernardino, with three victories and two defeats to its credit, was in second place. • Captain Snyder managed the third annual freshman elimination tournament. The student body awards a bronze medal to the winner of this tournament. The 1936 medal was given to George Spencer. The first two medals were won by Phillip Capen in 1934 and Eugene Hanna in 1935. • The members of the boys' tennis team were as follows: George Spencer, first singles; Franklin Delahoyde, second singles; Phillip Capen, Dean Hoyt, third singles; Roger Page, fourth singles. Bion Abbott and Eugene Hanna, first doubles; Donald Barber and Alfred Davenport, second doubles; Kenneth Snyder, captain.

GIRLS' TENNIS

● Even though the girls played great practice matches and won all four of them, the C.B.L. season was not quite so successful as the Chaffey girls' Tennis team won only one out of the three games played. Although she hates to lose two valuable Seniors, the coach, Miss M. Graber expects to have an experienced group of girls next year because several of them were Sophomores this year. The members of the team are Betty Blair, co-captain with Jane Miller, Thelma Smith, Barbara Phibbs, Mary Okamoto, Barbara Gearhart, Katherine Fischer, Dorothy Patterson, Merice McIntire and June McIntire. On March 12, the first practice game was played at Covina with Chaffey winning by a score of 14-3. First singles, B. Blair (Cha.) defeated E. Eckley (Cov.) 6-3, 3-6, 6-0. Second singles, B. Long (Cov.) defeated T. Smith (Cha.) 3-6, 6-3, 10-8. Third singles, M. Okamoto (Cha.) defeated A. Milbu (Cov.) 6-2, 6-0. First doubles, J. Miller and B. Gearhart (Cha.) defeated F. Betta and M. Ernest (Cov.) 6-2, 12-10. Second doubles, D. Patterson and K. Fischer (Cha.) defeated J. Starbuck and H. Starbuck (Cov.) 6-2, 6-3. A game was played with El Monte at Chaffey with the score Chaffey 15. The other practice games were: on March 16, played at El Monte and score 15 to 4 in Chaffey's favor; on April 13, Covina at Chaffey with the latter winning with a score of 16 to 3; the last practice game on April 14, Chaffey won 21 to 5 from El Monte. The first

C.B.L. game on April 17 was lost to Redlands with a score of 14 to 5. First singles, B. Gearhart was defeated by S. Miki (Redlands) 7-5, 6-3. Second singles, M. Price (Redlands) defeated T. Smith (Chaffey) 6-3, 3-6, 6-1. First doubles, B. Blair and J. Miller (Chaffey) were defeated by B. Silky and J. Trowbridge (Redlands) 4-6, 6-4, 7-5. Second doubles, K. Fischer and D. Patterson (Cha.) defeated D. Fowler and A. Sollder (Red.) 6-3, 6-1. Riverside came to Chaffey on April 20 when Chaffey won 16 to 3. First singles, B. Blair (Cha.) defeated D. Kelley (Riv.) 6-2, 3-6, 7-5. Second singles, T. Smith (Cha.) defeated M. McWilliams (Riv.) 6-4, 4-6, 7-5. Third singles, M. Okamoto (Cha.) was defeated by B. Rowe (Riv.) 4-6, 6-3, 6-4. Fourth singles, M. McIntire (Cha.) was defeated by W. Mumby (Riv.) 6-1, 6-1. First doubles, K. Fisher and D. Patterson (Cha.) defeated C. Frost and J. Fisher (Riv.) 6-2, 11-9. On May 1, Chaffey was defeated by San Bernardino by a score of 14 to 5. First singles, B. Blair (Cha.) was defeated by E. Clifton (S.B.) 6-2, 5-7, 6-4. Second singles, I. Gibson (S.B.) defeated T. Smith (Cha.) 6-2, 6-2. Third singles, A. Johnson (S.B.) defeated M. Okamoto (Cha.) 6-1, 6-2. Fourth singles, M. Ralphs (S.B.) defeated J. McIntire (Cha.) 6-1, 6-4. First doubles, J. Miller and B. Gearhart (Cha.) defeated R. Randall and A. Oser (S.B.) 8-6, 4-6, 7-5. Second doubles, R. Brush and F. Bussey (S.B.) defeated D. Patterson and K. Fischer (Cha.) 3-6, 7-5, 8-6.

POSTURE

● The annual posture contest was again held this year in March to pick the class of girls having the best postures. The outstanding sophomore girls captured another title. The winning group consisted of: Ruth Hargraves, Natalie Barton, Barbara Canfield, Edith Patterson, Joyce Schmidt, and Chiyoka Yamaguchi.

ARCHERY

● Archery, the most skillful of these sports, proved to be especially popular this year. The girls taking an active part were: Betty Kitchell, Geraldine French, Estelle Alvarado, Bara Grant, Opal Lackey, Florence Wilkerson, Margery Baker, and Mary Kennedy.

INTER CLASS TENNIS

● After stiff competition the Junior Team won the inter class tennis tournament. Jane Miller headed this sport and the girls on the winning team were: Barbara Phibbs, Kay Fischer, Barbara Gearhart, Jolea Weber, Mary Okamoto, Theda Smith, Katherine Henry, Frances Paul, Janice Nesbit, Barbara Leigh Grass.

PLAY DAYS

● Each year there are two play days. A large number of Chaffey girls attended the fall playday at San Bernardino. The Spring play day was held April 25 at Riverside. On May 1st a playday for the Seniors was held at Pomona.

● VOLLEYBALL
● Volleyball started the season's afterschool sports with 184 girls coming out for practices. Out of these the teams for each class were chosen. Captains were elected for the teams, and a series of exciting games were played. The Sophomores won most of the games.

● BASKETBALL
● One hundred and thirty-eight girls came out for practice with Helen Shoji leading the sport. Being a game which requires a great deal of skill there was much competition between the teams. The captains chosen were: Virginia Clapp, h.s. '39; Letabelle Fuller, h.s. '38; Mary Okomoto, h.s. '37; and Norma Long, h.s. '36. Again the fighting sophomores were victorious.

● SPEEDBALL
● With Louise Jeffries leading this sport, speedball proved to be very popular. In spite of the rainy weather, the girls turned in a large number. The captains chosen were: Merice McIntire, h.s. '39; Sally Ross, h.s. '38; Dorothy

Leppard, h.s. '37; Venetia Maggiora, h.s. '36. The sturdy sophomores once more won.

● HOCKEY
● Frances Edwards headed this sport and after the last play-off game a lovely spread was given with apples and popcorn for refreshments. As champions of every sport this year, the sophomores again won. Members of the team were: S. Ross, E. Patterson, P. Hall, L. Fuller, E. Roth, V. Miller, V. Ellis, R. Pederson, B. Verity, M. Peters, T. Smith, J. Schmidt, G. Hutchison, D. Patterson, H. Legidio.

MISS MABON

● GIRLS' GYMNASIUM

- Athletic quarters of the new Chaffey gymnasium are the best equipped in Southern California, most modern facilities being offered. It is used not only for physical education activities, but for social functions as well.
- Space is provided on the gym floor for two basketball courts. Handball and other games may be played here. School dances are held on this floor.
- Showers are provided along the south wall of the gymnasium, which will also serve as the dressing room for the plunge. The steam heating plant is of the latest type, and will also warm water for the pool.
- In the upper story of the building is the club room for several athletic organizations, also used for girls' corrective exercises during the day time.
- Along the southwest end of the building are the modernly built steel lockers, the rows dividing the quarters into compartments, each of which has a skylight.

FASTI STAFF

- Seniors of 1936 being the twenty-fifth class to graduate from Chaffey Union High School, the Fasti staff chose as a theme the Silver Anniversary of Chaffey's origin. • With the cooperation of Mr. Anderson of the California Theater, the Staff sponsored a movie, "Wings Over Ethiopia" and "Shipmates Forever." In this way extra funds were procured to help with the publishing of the Fasti. • We have endeavored to put within the covers of this book, a record of the activities of the year, the progress of the last twenty-five years, and confidence in the future growth of Chaffey.

● PRESS REPORTERS

● No activity on the campus draws more interest or is more important than the Chaffey United Press. The high school journalism students write half the news of the paper. Their work is strictly reporting, as most of the editing and feature work is done by the junior college students. The work of the reporters promotes cooperation between the faculty and the students and also brings to the parents and the rest of the community the activities and other items of interest that happen on the campus.

● Following the four year old tradition of a Winter Extravaganza, "Collegiate Cruise" was given December 6 in the Chaffey auditorium, before a capacity crowd. ● A passenger liner, as suggested by the title, was the background for the student numbers. They were cleverly woven around the central idea which was the transformation of Maude

COLLEGIATE CRUISE

Grimm from a seedy member of the intelligentsia into a glamorous sophisticate. Fischbein, the producer, used his knowledge of showmanship to help bring this change. Music played an important part in this year's vaudeville. The Theater Orchestra, whose specialty is popular numbers, made its debut. Mr. Murrey Owen organized and directed the orchestra, which was enthusiastically received. Joe Mazzola sang "I'm in the Mood for Love"; Isabel Nelson, "New Moon"; and Warren Richards, an old fashioned ditty. Members of both the boys' and girls' glee clubs created the student background for the cruise. ● Miss Clara Bissell, advisor and director, and the student committees, of which Kay Fischer was chairman, were largely responsible for the successful presentation of this year's vaudeville. "Collegiate Cruise" was the last play given in the Chaffey auditorium before it was condemned.

GROWING PAINS

• "Growing Pains", a comic show presenting adolescence in bloom, was given by the senior class in the junior college auditorium, March 20 and 21. • The production was written by Auronia Rauverol and was directed by Mrs. Ruth Tremaine Kegley. • The three-act play dealt with the problem of the younger generation's "growing up". • Bert Francis and Mary Dewees, playing the McIntyre children, and Betty Lucas who enacted Mrs. McIntyre, gave top performances. Prudence Darling, the town flirt, was well played by Emma Campanella. Craig Williamson entertained the audience as Brian. • Because the Chaffey auditorium was condemned, the junior college auditorium had to be used. The stage setting used the new cycloramic taupe velour drapes recently purchased by the junior college. Music for the production was furnished by a small ensemble of about twelve players directed by Charles Jones. • Publicity, tickets, and stage management were in charge of student committees.

Wellingham, A. Hostetler.

GIRLS' GLEE CLUBS

• With the closing of the auditorium, the Chaffey Music department found themselves quarterless. Following the old Chaffey spirit of "keep going regardless—", the Glee clubs took shelter in the Home Economics building and made up for their lost operetta by doing special finished work in their many public appearances. • These groups, which are directed by Mrs. Florence Blakeslee, aided by the school orchestra, created the musical background for this year's Extravaganza, "Collegiate Cruise", and sang for the Mexi-

can Christmas party. Twelve of the girls accompanied Mrs. Murray Owen who sang for the student assemblies. • The outstanding program of the year was given by the Advanced Glee clubs at the j. c. auditorium. They offered a delightful entertainment of ensembles in dancing co-ordinated with choral background, selections from recent musical successes, groups of fine art song, and a Boys' Glee club collegiate stunt. • The underclassmen gave a number of songs for the freshman assembly.

• THEATRE ORCHESTRA

• Chaffey's Theater Orchestra was organized by Mr. Murray Owen during the fall semester, and has proved a fine asset to the life of the school. It is a 30-piece orchestra selected from the best talent in the High School and Junior College instrumental music departments. Its purpose is to provide music for student stage shows, banquets, extravaganza, and etc. • Besides accompanying, in a professional style, all types of singing, dancing, and novelty acts, the theater orchestra presents complete musical comedy selections and many numbers by modern American compos-

ers. • In addition to performances by the entire orchestra, a smaller group of 17 players has been organized into a modern dance orchestra which has furnished music for four of the high school and junior college informal afternoon dances.

• BOYS' GLEE CLUB

• The Boys' Glee club in combination with the advanced Girls' Glee club have given programs for various clubs and meetings. They also sang for high school assemblies and class teas. Clyde Ovitt was elected president; Alonzo Tate, secretary-treasurer.

● ADVANCED ORCHESTRA

● Chaffey's Advanced Orchestra, under the direction of Murray Owen and Charles Jones, has made rapid strides during the year. From the seventy odd students who registered for orchestra work the best players were selected for the advanced orchestra, with the balance making up the elementary orchestra. ● The complete advanced orchestra played for the P.T.A., Mexican Christmas party, assemblies, Baccalaureate, and Commencement services. ● In addition to the performances of the complete orchestra, smaller ensembles played for various school and community functions, such as banquets, teas, receptions and similar affairs.

Back Row: W. Cleland, H. Templeman, B. Murray, E. Elliot, E. Wibbart, C. Johnson, D. Walker, J. Murray, M. Slater, C. Jones, B. Williams, G. Napp, E. Elliot, E. Fisher, Mr. Owen.

Row 6: R. McWilliams, F. Williams, V. Bryant.

● BAND

● Starting with a registration of 16 at the beginning of the year the band has grown steadily and now numbers 43. ● The band has become a very vital part of the school and community life, through the medium of 26 performances during the year. During the fall semester the band played exclusively for football games and rallies. Mr. Owen wrote complete band arrangements to eleven school songs, which added materially to the pep at the games. ● Now without uniforms, Mr. Owen expects that next football season will see a fine fifty-piece marching band attired in flashy uniforms.

FIRST DEBATE

● "Resolved, that California should adopt a single house for a state legislature" was the question for debate during the first semester of this year. Mr. Kegley had charge of the debating group and coached the members of the teams. Although our team didn't win any of the first debates they put up very good arguments. Louis Holbrook '36 and Leroy Brown '36 were the members making up the Chaffey affirmative team. They met the Riverside negative team on our own campus December 6. The visiting team won the decision

of the judges. Our negative team composed of Don Gardner '36 and Warren Richards '36 went to San Bernardino to debate the same question. They were also defeated.

SECOND DEBATE

● "Resolved, that California should adopt a program of state medicine" was the question for the second debate round held in March of the second semester of this year. The question of state medicine, a very timely subject, proved to be a good question for debate. Our negative team made up of Leroy Brown and Don Gardner both '36 with Mary Jane

Enrietty '37 as alternate debated Colton on March 13. Our debaters lost to the Colton team by a decision of the judges of 3 to 0. Warren Richards '36 and Jaine Hall '37, our affirmative team, upheld the idea of state medicine and won a decision of 2 to 1 from the Covina debaters. Judging by the results of the debates of our teams on the topic for the second semester debates, it appears that state medicine has a great many advantages over our present system of private medicine.

ORATORY

● PODRASNIK CONTEST

● The seventeenth annual Podrasnik contest was given November 7 in the High School auditorium. William Smale, (junior college) won first place with his speech "The Imminence of War". Lucille Huston, (junior college) who spoke on "Christianity, The World's Alternative" placed second. Third place went to Warren Richards who spoke about "Cecil Rhodes, Empire Builder". Paul Zimmerman and Ralph Smith placed fourth and fifth. Their speeches were "Religion and World Affairs", and "Should We Condemn Mussolini?" Mr. Alois Podrasnik, sponsor of the contest, was present at the assembly and also at the luncheon where the awards were presented.

● DECLAMATION CONTEST

● Giving Fosdick's "My Account with the Unknown Soldier", Warren Richards '36, placed first in the Declamation contest given December 13 in the High School auditorium. Paul Zimmerman, '36, placed second with "The American Citizen of Foreign Birth" by Woodrow Wilson. Isabel Nelson, '36, who gave "John Brown" placed third.

● CROMBIE ALLEN PEACE CONTEST

● John Stanford placed first in the Peace Contest given April 28 for the Upland Rotary Club luncheon. "Preparedness and Peace" was his subject. Warren Richards and Alta Mattly won second and third places. Their subjects were "Government Control of Munitions Industry", and "America and Neutrality".

● AUSTRALIAN CONTEST

● Norma Long, '36, with "The Natives of Central Australia, Their Ceremonies and Mythologies" placed first in the Australian contest given March 5 in the j. c. auditorium. The Australian contest was established in 1925 by George Chaffey and dedicated to his sons, Andrew Chaffey of Los Angeles and Benjamin Chaffey of Australia. Bonnie Linsley '36 placed second with her oration on "White Australia", while Don Williams '36 came third. His speech was entitled "Australia, the Child of Science".

● CANADIAN CONTEST

● Alta Mattly and Leroy Brown tied for first place in the Canadian contest given March 6 in the j. c. auditorium. Their topics were "The Royal Canadian Mounted Police". Nadine Eastlack's oration of "The Canadian Rockies" placed third. The Canadian contest was established by George Chaffey at the same time he established the Australian contest. These two contests were created to foster friendship between the United States and the two countries, Canada and Australia.

● CONSTITUTION ESSAY CONTEST

● With his oration "Have the Promises of the Constitution Been Fulfilled?" Paul Leos '36 won first place in the Constitution Essay Contest given in the j. c. auditorium February 12. The American Legion sponsored this contest. All of the students of the high school wrote essays about the Constitution. The best from each class were selected and given in the form of speeches to determine the best. Class awards were made as well as the final awards. Paul Zimmerman '36 and Floyd Tift '37 also placed in the finals. Their essays concerned "Political Parties and the Constitution" and "The Constitution, Preserver or Liberator".

● RICHARDSON CONTEST

● The twenty-second annual Richardson Contest was won by James Nielson. Winifred O'Brien and Louise Reynolds placed second and third. This is the oldest Chaffey contest, and the last to be held before school closed in 1935.

CHAFFEY CLUBS

• One of the major activities of Chaffey is furnished by the clubs which bring social and educational contacts to the students. Every club represents an activity interesting to one group. In this way people who are congenial are brought together by their mutual interests. • Most of the Chaffey clubs meet every second Tuesday during the activity period, although several have all meetings outside school hours, and most have a few special activities during the year which are held elsewhere. • At the opening of the year students may choose which club list represents one of their interests and apply for membership. If his application is granted he becomes a full-fledged member. Some of the clubs admit members by invitation only and maintain strict rules. • With a membership of more than one hundred students the Chaffey Honor Society has become a very important part of school activity. The basis of enrollment is "A" counting three points, and "B", one point. A student may enroll if he has ten points and if at the end of his senior year he has been on the Honor Society six semesters, one in his senior year, he will be given a gold seal on his diploma. • Language clubs such as the French and German clubs have a special interest in promoting international good will and study of their respective countries. Latin students may join Inter Nos and Gens Togata in which they study subjects correlated with Latin, and enjoy social recreation. • Two of the oldest clubs on the campus are the Eschscholtzia and Anthology clubs, the Eschscholtzia being for girls and the Anthology for boys. These clubs originally literary clubs, make every possible contribution to the life and standards of Chaffey. They meet once a month, at night. Another important literary club, the Pegasus club, satisfies those students who wish to develop creative writing. They contribute to the literary edition of the United Press and to the Driftwood. • Girls who are interested in sports and tennis may join the Atletas, Racqueteers, and the G.A.A., the G.A.A. being one of the largest clubs at Chaffey. The Atletas club is only for those girls who have earned their letters. After completion of inter-class games "spreads" are held celebrating the finish of a

particular sport. • Students who are interested in science and history may join the Physical and Social Science clubs; those interested in hobbies may join worth while clubs such as the Philatelic, Harmony, Camera and Aviation clubs. The Philatelic club acquaints students with the history and meaning of stamp collecting. The Boys' Glee club furnishes the Harmony club with its members. A model air meet is held during the Chaffey Fair at which toy airplanes which have been made by the Aviation club are flown. Film developing holds the interest of the Camera club. • Clubs with practical value such as the Home Economics and the Pigeon clubs try to apply academic subject matter to practical and enjoyable use. The Home Economics club held a bazaar this year, the proceeds going to finance their booth at the Chaffey Fair. • There are different chapters of the Hi-Y club which are all sponsored by the Y.M.C.A. The purpose of the club is to create, maintain, and extend throughout the school and community high standards of Christian character. Interest is stimulated by dinner meetings held once a month with an interesting speaker. The four chapters are known as the Chaffey Senior Hi-Y, the Senior Hi-Y, the Chaffey Sophomore Hi-Y, and the Chaffey Freshman Hi-Y. • The Future Farmers is the largest Chaffey club, being a chapter of the Future Farmers of America. It is correlated with the school agricultural program. Its main activity is the sponsoring and management of the Chaffey Junior Fair, the biggest little fair in the world. • Some Chaffey clubs also conduct activities outside the school. The Chaffey Pigeon club loaned a large number of white homing pigeons to the Forest Lawn Memorial Park for use in the Easter sunrise service. The Honor society spent a day at the Griffith Park Planetarium. Motion pictures were brought by the German and French clubs. The German picture was "Waltz Time In Vienna", and the French, "Le Million." The Latin clubs held their annual Roman Banquet at the Women's Club, all members attending in full Roman garb to eat and be entertained in the Roman manner.

CHAFFEY FAIR

CHAFFEY FAIR

• Seven thousand people from all over Southern California attended the fourteenth annual Chaffey Fair. The Fair was opened to the public shortly after noon on May 18, 1935, under the sponsorship of the Chaffey Chapter of the Future Farmers of America. This fair, the largest high school fair in the world, was conducted smoothly and efficiently due to the cooperation of the school and students under the leadership of Mr. Charles Perrin and Mr. Harry Alter. • Numerous exhibits, and large displays sponsored by the various clubs and departments of the high school were shown in the Boys' gymnasium, farm mechanics building and the auto shed north of the cafeteria, during the Fair. • A map of Italy composed of Italian Stamps was one of the high-lights of the display of the Philatelic Club, in which stamps from all countries were represented. • Social Science exhibits included term papers, notebooks, and charts made by various history classes. • Notebooks and sketches done as extra-credit projects were shown in the English Booth. • Designs made on typewriters were featured at the typing booth. Students showed the use of the mimeograph machine. • Dresses and clay modeling, articles made by members of the Upland Junior High seventh, eighth, and ninth grades were shown. • Baby books which are made annually by the girls of the Sophomore class were on display in the health booth. • At the Physical Science booth, seemingly impossible experiments were shown under the direction of Mr. Roy Vick, adviser. Richard Powell, h. s. '35 gave special demonstrations. • Drawings and paintings made by Carrol Birchfield and William Bailey were among the colorful exhibits. • Machinery and tools made by students taking machine shop were shown. • In the Agricultural departments of the fair, entries in all divisions displayed the quantity and quality of farm products in the Chaffey District. Nearly 400 pigeons, capacity entries in poultry and rabbits and cattle, filled the bus sheds and extended up the yards where the hogs were exhibited.

Easy Riding; On their way to the fair; Ready for the start; Future Farmerettes; Refreshments.

JUDGING TEAM

• The Judging teams are under the direction of Charles Perrin and Harry Alter of the Agricultural Department, and the Future Farmers of America Organization. • On the Stock Judging Team was: Ray Bowers h. s. '35; Robert Groff h. s. '35; Dean Poulson h. s. '35; William Smale h. s. '35. • On the Dairy Judging Team was: John Hinderliter h. s. '35; Elmer Tate h. s. '37; David Ward h. s. '35; Ellis Oxley h. s. '37. • On the Poultry Judging Team was: Hoyt Houchen, Standley Crouse, Robert Pearson, George Wymore, Robert Donnelly. • The prize for the best Citrus booth was taken by Gordon Oxley and John Franklin. • The prize for the best Vegetable booth was taken by Elvis Schultz. • At the Stock Auction, thirty prize winning swine, two beef and some sheep were sold. They were sold at good market prices. • Many dresses, knit articles and luncheon sets were displayed in a case by the advanced sewing class. • Home Arts displays of weaving, were shown in a glass show case in the gymnasium. • The Radio booth was directed by Robert Harris, Radio Club president. The Radio booth was located in the school workshop building east of the football bleachers. Radiograms were sent all over the U. S. by the boys in the booth. • Paintings and other drawings constituted the art exhibit which was placed in the eastern corner of the Gymnasium. Bleachers were fixed with flower pots furnished by Dick Smith, the gardener, to represent terraced gardens. The pictures were hung on the walls. • Aviation instruments and airplane models were shown at the Aviation booth under the direction of Mr. Wilson. • The Fontana branch of the High School biology class was colorfully represented with a display of butterflies and insects. • **Citrus**—Citrus fair displays were exceptionally fine this year. Elmer Tate '37 was awarded first prize for the most pleasing and artistic booth. • **Vegetable**—Elvis Schultz '35 was awarded first prize for the best Vegetable booth in the fair. • **Model Air Meet**—On Saturday the model air meet was held on Graber Field,

Master Hands; Hygiene Exhibit; Tager Inn; Waiting for their wings; Prize Booths.

showing the various types of model airplanes and holding distance and endurance flights.

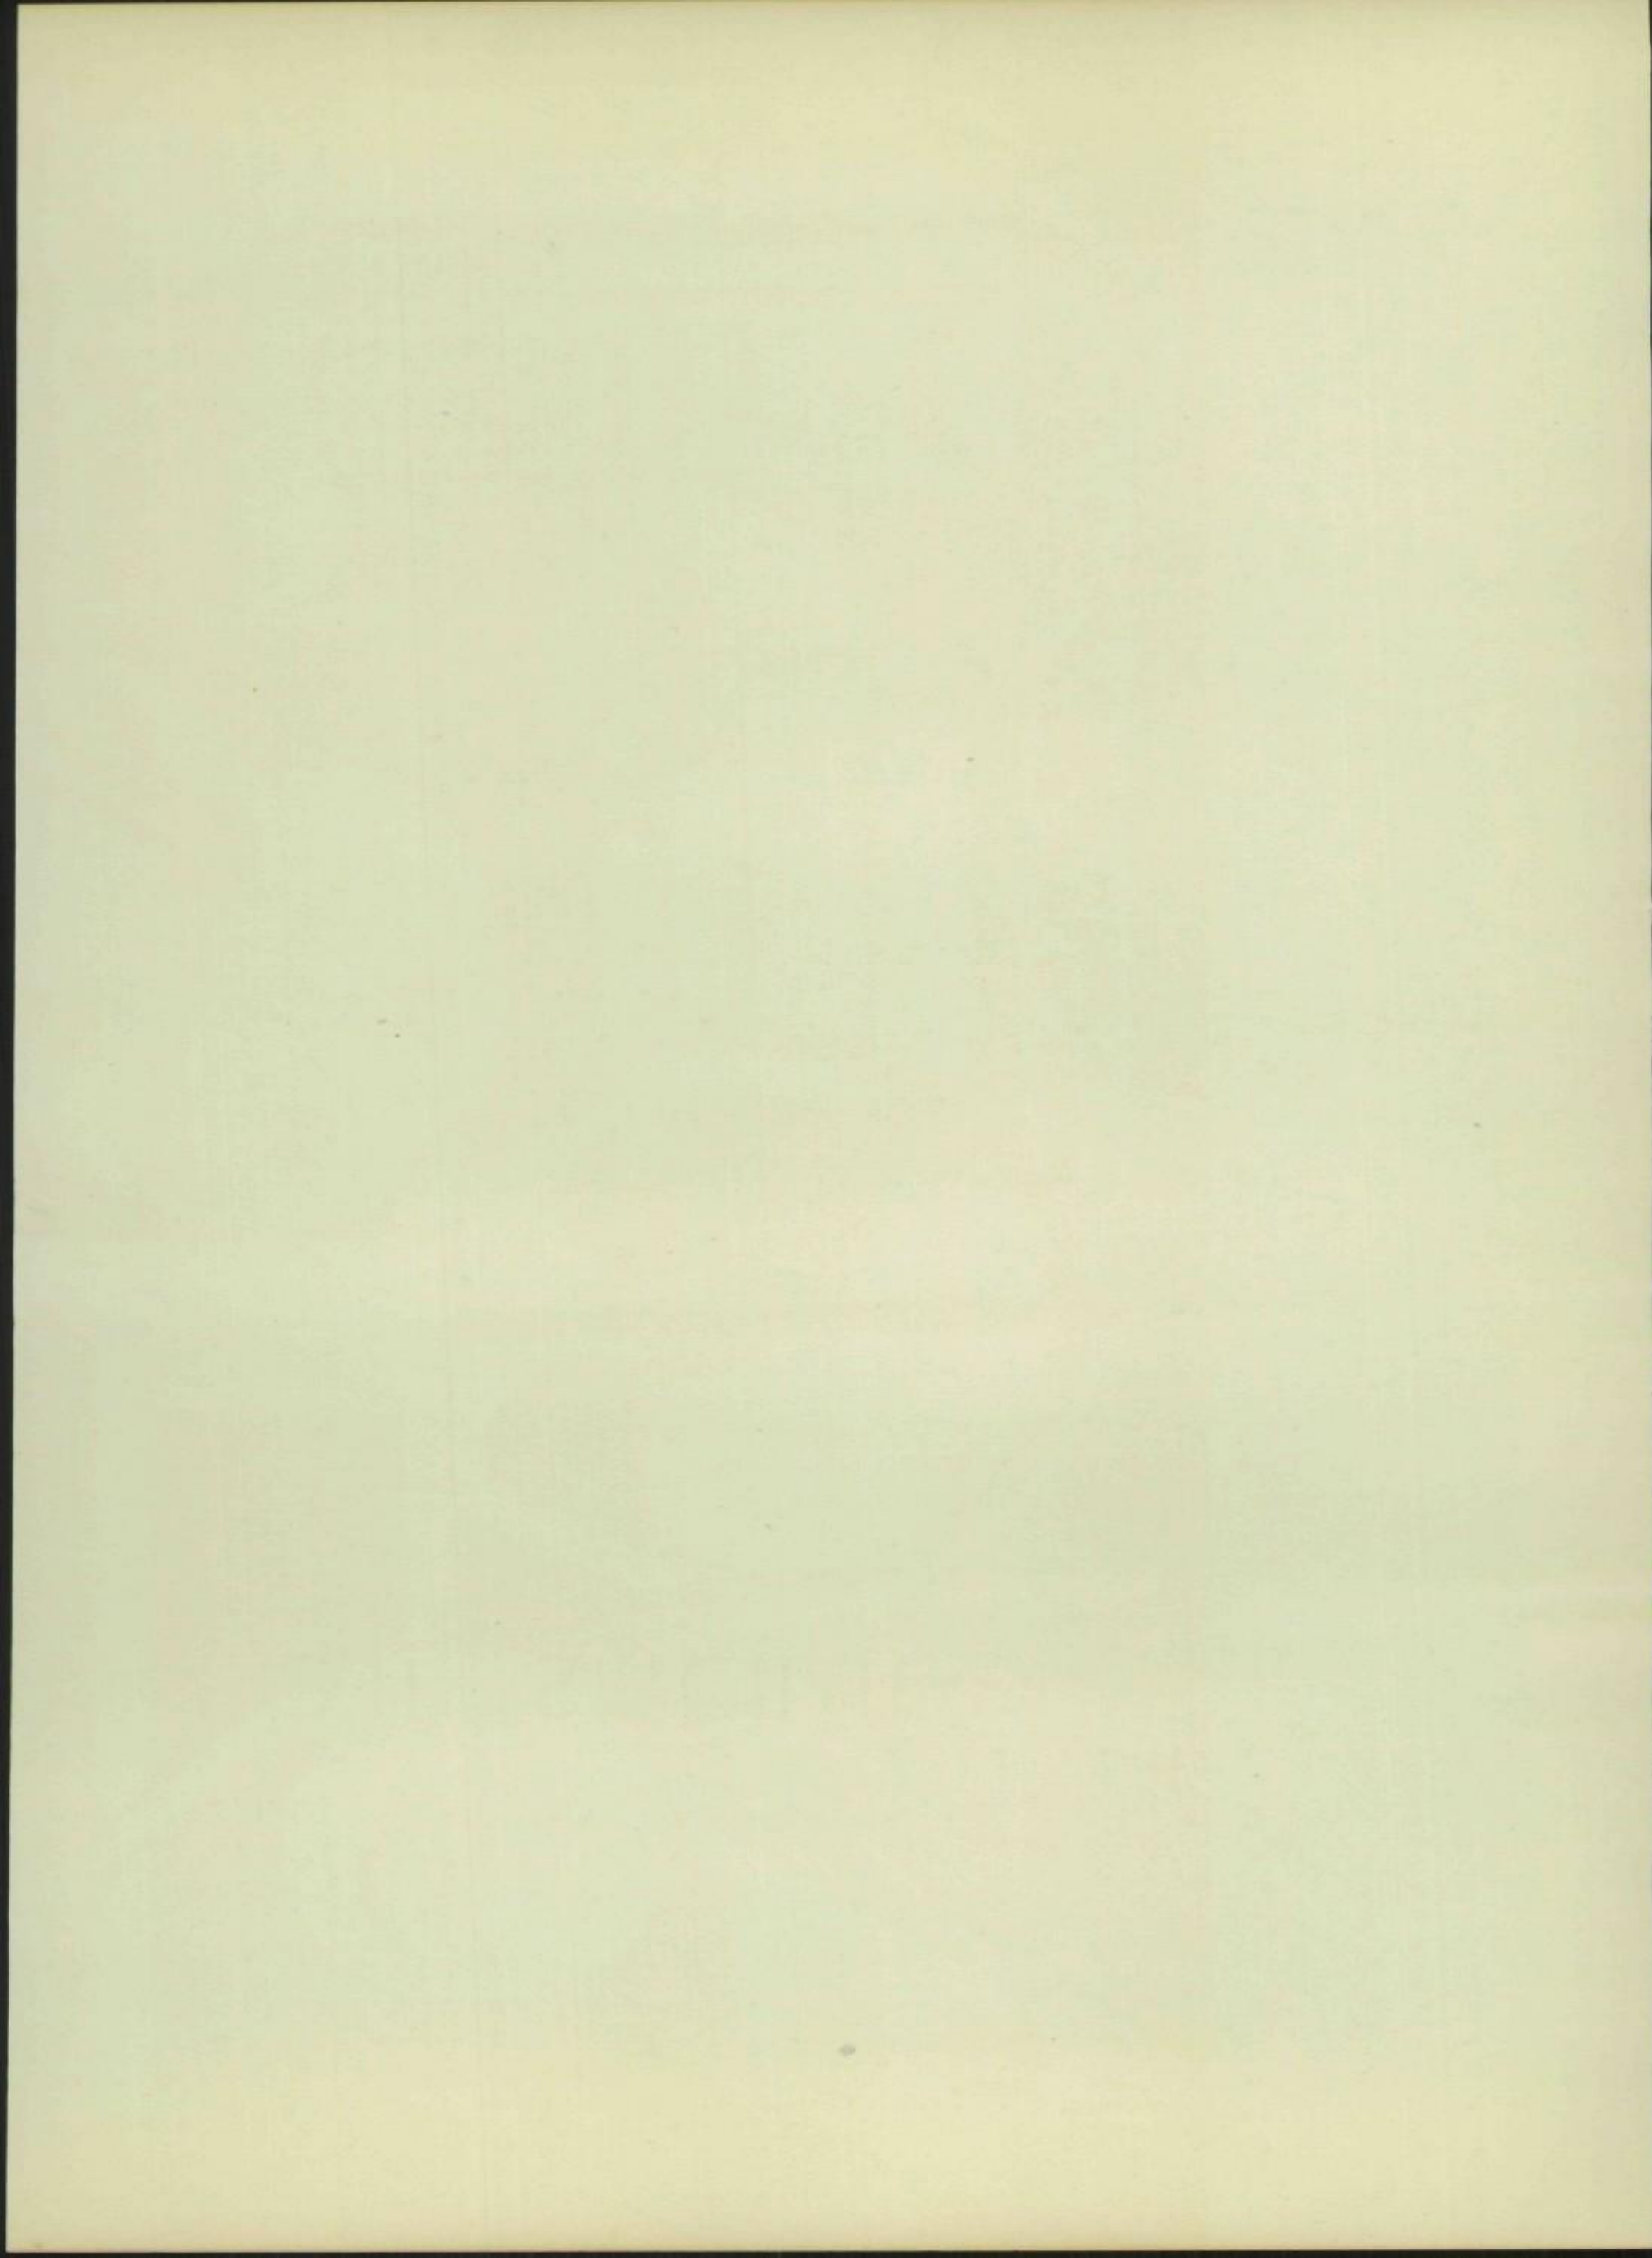

• Many visitors enjoyed refreshments at the "Tag'er Inn" held in the east portion of the Gymnasium. Miss Li'lian Graves, Home Economics teacher, who sponsored the tea room, pronounced it an outstanding success, both in the number of people served and in experience gained by the girls who took part. This portion of the Fair is going to be enlarged next year. • Three Chaffey Judging Teams: stock, dairy, and poultry, left on May 8th for San Luis Obispo Judging Contests, held May 9-11. After the contests the Future Farmers of America held a convention. • In the contest at Perris, California, Chaffey placed first in Class B poultry judging, third in Class A poultry, third in stock judging, and seventh in dairy. Ray Bowers was high man in individual stock judging. • The Chaffey team placed fourth, sixth, and twelfth in the State judging contest.

● SPIRIT OF '36

● Recognize them? They're the typical boy and girl of the Class of '36—composite photographs of assorted eyes, noses, lips, and miscellaneous faces of the graduating class. Do they look familiar? They're no Gable and Harlow, and both are a little fuzzy around the edges, but what do you expect? By the way—that doesn't happen to be your eye, does it? Too bad no one really looks like this—or is it?

October 1, 1935

Dear Graduate of 1912,

Of course, I shall be glad to write and keep you in touch with the Chaffey of today. We are now going through a period of change, as you were twenty-five years ago. The old buildings are giving way to new ones. Two, the library and girls' gymnasium, were officially opened and dedicated on September nineteenth.

Mr. Albert Angermayer, concert violinist, gave a program at our first assembly on September twelfth, two days after school opened. A motion picture, "David Copperfield", was shown on the twenty-sixth.

Did you have Big and Little Sisters in 1912? Ours held a "get-acquainted" tea September twenty-fifth.

Your friend,
A graduate of 1936

October 31, 1935

Dear Graduate of '12,

Today is Hallowe'en, but the Freshmen anticipated the date with their Hallowe'en Mothers' Tea on October twenty-third. Columbus Day was celebrated by the Sophomores with a nautical banquet.

Dr. Roy L. Smith spoke in assembly on October third. The following Thurs-

Pompoms; "Sad About Europe"; Anderson Twins; Chaffey and Pomona meet; Lots of twin; More twins; A bumper crop; "Scrubs"; Those jazzy twins; Which is which? No fooling; Do you believe in signs? The ladder of success; What! More twins?

day we heard a group of Latvian singers, and on the twenty-fourth, motion pictures of United States colleges and universities were shown. Tomorrow Mr. Burton Holmes is to give an illustrated lecture on Ethiopia.

See you next month!

Graduate of '36

November 27, 1935

Dear Chaffey Graduate,

I'm seeing red! Why? Senior sweaters are here!

Juniors and Seniors held their first dance November twenty-second under a "Harvest Moon".

Our assemblies for November included the picture "Man of Aran", the Swiss Yodelers, and a talk by Mr. Herschel Griffin.

Thanksgiving vacation starts tomorrow, and Christmas is coming soon.

Auf wiederschen,
Chaffey Senior

January 6, 1936

Dear Graduate of 1912,

Vacation ends today. Ho hum!

Chief event of December was the Winter Extravaganza (Collegiate Cruise) on December sixth.

Assembly any good?; Waiting; Keeping a doctor away; Gang-way; Hero Harry; Look what I did!; Peek-a-boo; Monkeys; Chaffey—rah!; Don't let a Dago by; Oi-yah; Where is the fish?; Concentrated energy; Prize ditchers.

Dr. Charles Knopf spoke at the December twelfth assembly, and the following week the Padua Mexican players gave a Christmas pageant, "Las Posadas".

And then vacation, and now—adios!

Graduate of 1936

February 28, 1936

Dear Graduate of 1912,

No letter last month—semester finals—need I say more? Also political campaign—Bow Ties vs. Red Ribbons!

February seems to have been a month of teas, three classes having given teas for their mothers. The Sophomores chose a "Winter" theme, the Juniors "Lincoln Day" and the Seniors "Colonial Days". The Girls' League gave a tea welcoming new girls.

January thirtieth marked the first informal after-school dance—more fun!

Mr. Geoffrey Morgan spoke in assembly February sixth, and the following week was a student variety show, with Miss Eadie Adams, M.G.M. star, as guest artist. On the twenty-first, Freshmen entertained the Upland ninth grade with an assembly. Until next month—aloha!

Graduate of 1936

April 1, 1936

Dear Senior of Twenty-five years Ago,

Over five hundred mothers and daughters attended the "Sports" banquet held on March thirteenth.

Two performances of the Senior Play,

Guess where?; Give us a horse; Out of joint; See the monkey?; The gang's all here; "I'm in the Mood for Love"; Get something we like; We're not cold!; Teachers must eat; 'Round and 'round; Luck lamp post?; Whoa!; Curb Stone Cutie.

"Growing Pains" were given March twentieth and twenty-first. The end of March also marked the end of the third quarter.

Well, I'm off for the informal dance. It is to be an all-school affair, no April fooling! Goodbye!

A Senior of Today

April 30, 1936

Dear Graduate of 1912,

Easter vacation is now a dim memory.

We saw "The Story of Louis Pasteur" in assembly today. Other assemblies included a performance by Mr. Brower, ventriloquist, a program by Mr. Ray Graybill, marimba player, and an illustrated lecture on Norway by Mr. Bronson De Cou. Au revoir.

Graduate of 1936

June 4, 1936

Dear Graduate of 1912,

Tonight we graduate. This is our last day as Chaffey Seniors.

Important events since I last wrote were the "Terrace Rendezvous", Junior-Senior dance, May eighth, The Chaffey Fair, May fifteenth and sixteenth, and the Junior-Senior reception of May twenty-first.

The water carnival was an innovation made possible by our new swimming pool—wet, but more fun!

Fastis made their appearance two days ago. I'll send you one. Our friendship will continue.

Fare thee well!

Graduate of 1936

Puzzle—find the plunge; Going up?; Figuring what goes where; A wonderful digestion; Don't work too hard; Steppin' high; Always hungry!; Ride 'em cowboy; Hang on!
